PSEO VS CONCURRENT ENROLLENT COURSES

Does district have a contract with the community college to provide this course? If no ➔ PSEO

Is the course listed in the district's course offerings? If no ➔ PSEO

Does the student actually apply to the community college in order to take the course? If yes ➔ PSEO

Does the district pay for the course ONLY if student completes or passes? If yes ➔ PSEO

REMINDER FOR 2011-2012…

- Make sure contracts with community college are for the course (CCN) – not a section/delivery method
- Once contract signed – that course (CCN) becomes 'your district course'
- Once contract signed – that course cannot be taken as a PSEO
