   a. After the form has been filled out, click the Submit button

Fall BEDS Staff Collection Training - Exercises

Exercise 11 – District Certification

Overview

The purpose of this exercise is to demonstrate the steps necessary to Certify the Fall BEDS Staff forms

If you have any questions or need assistance, please raise your hand.

Objectives

The following objectives apply to this exercise.

1) Connecting to the website
2) Enter the application
3) Navigate to the District Contact page
4) Check errors by building
5) Check Staff counts and FTE's
6) Certify the forms
7) Uncertify the forms

Exercises

The following steps outline the tasks you will complete in order to gain experience knowing when the forms are ready for certification.

1. Check error count and errors by building
2. Check Staff counts and FTE's for reasonableness
3. Certify the forms
4. Uncertify the forms

Exercise 11
District Certification

1. Access the EDINFO application menu
   m. Open Internet Explorer

   n. Enter the URL https://www.edinfo.state.ia.us

   o. Enter your **Login ID** and **Password** and then click the **Submit** button.

2. Enter the Fall BEDS Staff Application.
   a. Select Fall BEDS Staff from the list of available applications

   b. You should be on the Fall BEDS Staff Collection Home page.

3. Navigate to the Certification page
   a. From the Home page, click on the Certification tab or the Certification link

4. Check error count and errors by building
   a. The section under the red notification bar labeled District is not certified is the status by building. This gives an error count by building and also allows you to view the errors by building. Click on the View link under the View column.

   b. You are now on the Errors/Omissions page which shows the detail of the remaining issues with this particular building.

   c. Review the Errors/Omissions exercise to address the remaining issues.

   d. Click the Certification Page button to go back to the Certification page.
