Background: Recent legislation reinstated the financial incentives provided to Iowa teachers who become certified by the National Board for Professional Teaching Standards that had been phased out by previous legislation in 2007. Teachers who passed the National Board Certification process and actively taught in the state of Iowa received a ten year financial incentive of \$2500 per year and one half of their registration fee. This program was suspended by the Iowa General Assembly if an applicant for this funding did not submit their application prior to December 31, 2007, they did not qualify for this funding. These rules allow those who qualified after that date and before July 1, 2012, to apply for funding prior to May 1, 2013. They will receive their funding if they do so. In addition, all future applicants who submit their paperwork within one year of qualification will also be eligible for this funding. There were no public comments on this item.
