Free Discover MyPlate training materials are now available on the Team Nutrition Web site at:

The Discover MyPlate Curriculum Training for Teachers guide and accompanying slides are for State agencies, school districts, nutrition educators, and curriculum coordinators to use in providing a training session or professional workshop for kindergarten teachers. The training materials are designed to:

- Boost teacher confidence in teaching nutrition concepts and conducting food preparation activities.
- Show how to collaborate with school nutrition professionals and other parts of the school to support and reinforce classroom lessons.
- Review nutrition basics to familiarize teachers with subject matter content.
