Subject: CACFP Center Claims for Meals Served in October
Attachments: CACFP Chapter 6 - Online Claims 2014.pptx

Importance: High

CACFP Participants:

Claim entry for meals served in October will be delayed this month. We anticipate claims will open for submission on November 13 and the due date will be extended to November 19 and possibly later. Please login to IowaCNP for the most current information.

The center CACFP financial report will not be ready before the October claim is due. However, you must have the October financial report information and documentation completed (you will submit the financial report for the October claim next month.)

A PowerPoint with instructions on how to submit a claim on IowaCNP is attached. We plan to update the PowerPoint when the financial report is available.

Feel free to contact me if you have questions.
