To enable work necessary to open the next program in IowaCNP,
The CNP systems are closing Wednesday August 27 at 4:00 pm to everyone.

They are expected to open in the morning Friday August 29.
Thank you for your patience!

Each person authorized by the organization to have access to the new system (IowaCNP) must request a new username and password. **If you have not already done so, complete and return the attached IowaCNP Access Request Form as soon as possible.** An email will be sent to each individual requesting a username and password within the next week or so; it will assign a username and an initial password that must be reset when you login for the first time. If you need assistance, contact IDOE.nutrition@iowa.gov.

Additional information about CACFP center FY 2015 application renewal procedures, including the new system and registration for a training webinar, will be provided later this week (probably on Friday). Stay tuned!
