II. ISSUE

I. Recommended Funding Request for RTC Support for FY 2008
The original motion in June 2006 (Motion 4) was to request funding support in the amount of $1,760,478 to restore funds lost due to a change in e-rate laws ($270,000) and funds to cover the costs of training and professional development ($250,000), which amounts to a 42% increase.

After a brief discussion precipitated by Dan Miller, Executive Director of Iowa Public Television, it was decided and agreed upon by the members to request a 10% RTC funding increase for fy08 and the following motion was made:
Motion 1
Jim Bodensteiner moved that the ETC recommend that Iowa Public Television request a 10% increase ($124,047) in the appropriation request to support RTC activities, resulting in a total request of $1,364,525. This funding increase will assist the RTCs in supporting scheduling activities, which are no longer eligible for E-rate funding due to new federal guidelines. This motion supersedes the recommendation for appropriation request (motion #4) approved at the June 1, 2006, regular ETC meeting.

John Hartung seconded. 17—Ayes, 0—Nays, 1—Absent, 0—Not voting. Motion passed unanimously.
