The following amendment is proposed.

Amend subrule **36.14(1)** as follows:

36.14(1) *Physical examination.* Every year each student shall present to the student’s superintendent a certificate signed by a licensed physician and surgeon, osteopathic physician and surgeon, osteopath, qualified doctor of chiropractic, licensed physician

assistant, or advanced registered nurse practitioner, to the effect that the student has been examined and may safely engage in athletic competition.

Each doctor of chiropractic licensed as of July 1, 1974, shall affirm on each certificate of physical examination completed that the affidavit required by Iowa Code section 151.8 is on file with the Iowa board of chiropractic examiners.

The certificate of physical examination is valid for the purpose of this rule for one calendar year. A grace period not to exceed 30 days is allowed for expired physical certifications.

~~A student shall not be required to submit to a physical examination if the student's parent or 18-year-old student submits to a school administrator an affidavit that the physical examination requirement conflicts with the tenets and practice of a recognized religious denomination of which the student is an adherent or member.~~
