Reverted Funds Reissued from 2010-2011 Grant Program
Fire Safety Grants 2013-2014 Program Year
Grant Period: October 1, 2013 - September 30, 2014

12/18/2013/ 1:15 PM

App No	AEA No	Dist No	Date Received*	District Name	School Size	Grant Award Amount	Requested Amount	Local Contribution (Not Required by Grant)	Total Project Cost	Project Description	Building Name
Fire Life Safety Grant Applications Large Districts - (LG FLS) (Maximum Award \$75,000)											
L-1	10	1053	11/7/2013	Cedar Rapids	LG FLS	\$ 75,000	\$ 75,000	\$ 20,971	\$ 95,971	Replace fire alarm system with Notifier-Model NFS2-640-120V with battery backup Central Processing Control Panel with a paging microphone and the capability of 24-hour monitoring to the Hiawatha Fire Dept. The control system will have a LCD Annunciator Terminal Control located at the main entrance of the building.	Hiawatha Elementary School
L-2	11	3117	11/15/2013	Des Moines Independent	LG FLS	\$ 75,000	\$ 75,000	\$ 1,850	\$ 76,850	Installation of a new fire detection system for Lincoln South 9th grade academy (Kurtz building).	Lincoln South (Kurtz Building)
Total Large Districts FLS						\$ 150,000	\$ 150,000	\$ 22,821	\$ 172,821		
Fire Life Safety Grant Applications Medium Districts - (MED FLS) (Maximum Award \$50,000)											
M-1	GPAAE	1071	11/13/2013	Centerville	MED FLS	\$ 8,546	\$ 8,546	\$ -	\$ 8,546	Reworking of conduit and wiring in main fire panel to stop water from condensing and entering panel at District Office. HS requires touch panel, two smoke detectors, pull station, heat detector, and two batteries. Central Elementary requires replacement of two 12volt 7ah batteries. Lakeview Elementary needs to replace two 12v 7ah batteries, one heat detector, two horn/strobes, and one pull station. JH needs to replace fire alarm control panel, install addressable relay, move circuit relays, replace voice evacuation panel, and test for proper operation.	High School (1918), Howar Junior High (1959), Lakeview Elementary (1974), Central Elementary (1936), and Administration (1998).
M-2	15-16	3312	11/18/2013	Keokuk	MED FLS	\$ 50,000	\$ 50,000	\$ 10,000	\$ 60,000	Install a standpipe fire system to provide water to the fire department in the four story section of the high school. The standpipe fire system would provide twin 2/12" fire hose connections at the ground level and a 2" fire valve on each level of the building	Keokuk High School - 60 years old
M-3	9	4041	11/21/2013	Maquoketa	MED FLS	\$ 50,000	\$ 50,000	\$ 23,778	\$ 73,778	Install 47 20-minute fire rated doors at the Maquoketa MS with latching hardware that complies with Underwriter's Laboratory.	Maquoketa Middle School - 93 years old
M-4	10	4086	11/18/2013	Marion Independent	MED FLS	\$ 40,243	\$ 40,243	\$ -	\$ 40,243	Construct a 2000 sq. ft. metal storage building with slab floor to be located at the Football/Track facility.	Marion High School
M-5	10	6768	11/18/2013	Washington	MED FLS	\$ 50,000	\$ 50,000	\$ 46,339	\$ 96,339	Install 28 fire-rated doors and safety hardware at Washington Middle School. At the two elementary schools, install fire department key boxes outside each building.	Washington Middle School - 1918 with 1953 addition
M-6	1	6950	11/12/2013	West Delaware	MED FLS	\$ 50,000	\$ 50,000	\$ 10,098	\$ 60,098	Install new emergency exit lighting in all areas of HS built before 2006, MS, and Lambert Elementary School. Panic hardware will be installed on HS upper gym and library doors. Door hardware will be installed on all doors cited in inspections in the HS and MS.	High School (1955), Middle School (1969), and Lambert Elementary (1962)
Total Medium Districts FLS						\$ 248,789	\$ 248,789	\$ 90,215	\$ 339,004

App No	AEA No	Dist No	Date Received*	District Name	School Size	Grant Award Amount	Requested Amount	Local Contribution (Not Required by Grant)	Total Project Cost	Project Description	Building Name
Fire Life Safety Grant Applications Small Districts - (SML FLS) (Maximum Award \$25,000)											
S-1	1	135	10/29/2013	Allamakee	SML FLS	\$ 16,995	\$ 16,995	\$ -	\$ 16,995	Repair and/or replace exit and emergency signs with battery back-up, lower pull stations, install the strobe light and hook it into the fire alarm system, spray fire rated material in all areas cited and install locks for the fire alarm panels.	Waukon HS & JR High; East Elementary, West Elementary, and Waterbury Elementary
S-2	267	279	11/15/2013	Aplington-Parkersburg	SML FLS	\$ 15,394	\$ 15,394	\$ -	\$ 15,394	Install fire alarm visible strobes in locker rooms, exit signs at east end of the 1st grade corridor and library exit doors, self-closing devices on lunch room doors with electromagnetic hold-open devices, smoke detectors in library, detection in elementary gymnasium, and additional electrical service/plug-ins in computer area in media center.	A-P MS/Aplington Elementary
S-3	11	414	11/15/2013	Audubon	SML FLS	\$ 25,000	\$ 25,000	\$ 99,118	\$ 124,118	Removal of wood paneling from office area and throughout classrooms, extension of sprinkler system to second floor hallway and classrooms, new sprinkler heads on first floor, and installation of fire rated classroom doors.	Audubon Elementary School (1952)
S-4	NWAEA	1152	11/19/2013	Cherokee	SML FLS	\$ 25,000	\$ 25,000	\$ 32,531	\$ 57,531	At the Early Childhood Learning Center, install metal lockers in the hallway for clothing and personal effects, and install corridor smoke detection throughout the entire building.	Early Childhood Learning Center - 1957
S-5	8	1218	11/19/2013	Clay Central Everly	SML FLS	\$ 25,000	\$ 25,000	\$ 18,190	\$ 43,190	Install 20 minute fire-rated doors or 1 3/4 inch solid core doors throughout all classroom doors.	JH SR HS - build in 1927 with additions in 1956, 1967, and 2003. Elementary built in 1937 with additions in 1956 and 1977.
S-6	267	1719	11/18/2013	Denver	SML FLS	\$ 5,000	\$ 5,000	\$ -	\$ 5,000	Connect the fire alarm systems for Denver CSD to the Bremer County Dispatch Center which has the automatic dial out feature.	Denver HS (1957), Denver MS (1963), Elementary School (2003), and Discoveries Building (2010)
S-7	267	1968	11/15/2013	East Marshall	SML FLS	\$ 25,000	\$ 25,000	\$ 6,076	\$ 31,076	Replace fifteen 20-minute fire-rated doors with new frames at the high school and install several heat detectors in three school buildings across the district.	High School (1916, 1953, 1978), Middle School (1982), and Elementary (1950, 1952).
S-8	8	2088	11/12/2013	Emmetsburg	SML FLS	\$ 8,268	\$ 8,268	\$ -	\$ 8,268	Replace wooden cubbies in West Elementary hallway with metal lockers.	West Elementary
S-9	8	2556	11/19/2013	Graettinger-Terril	SML FLS	\$ 25,000	\$ 25,000	\$ 10,335	\$ 35,335	At Graettinger, install approved locking mechanisms and 16 doors with a 20 minute rated door in 2nd floor science storage, teachers' workroom, and classroom doors. Install self-closing mechanism for 2nd floor science room door and panic hardware for dining room doors in Grattering. At Terril, install a 20 minute fire rated door for the laundry room, provide a one-hour separation (shutters) between kitchen and dining room from the corridor, and install panic hardware for gym doors. Install ground fault circuit interrupter outlets where needed in Graettinger and Terril.	Graettinger Building - 56 years old. Terril Building - 99 years old original and 56 years old for newer addition.
S-10	5	2846	10/29/2013	Harris-Lake Park	SML FLS	\$ 14,300	\$ 14,300	\$ -	\$ 14,300	Install new fire rated doors with panic hardware on all four gym exits.	Harris-Lake Park Elementary
S-11	NWAEA	2862	11/18/2013	Hartley-Melvin-Sanborn	SML FLS	\$ 24,074	\$ 24,074	\$ -	\$ 24,074	Replace 49 interior classroom and office entrance doors at the HMS HS with 20 minute or 1 3/4 solid core fire-rated doors.	HMS High School - 47 years old

App No	AEA No	Dist No	Date Received*	District Name	School Size	Grant Award Amount	Requested Amount	Local Contribution (Not Required by Grant)	Total Project Cost	Project Description	Building Name
S-12	267	3420	11/18/2013	Lake Mills	SML FLS	\$ 15,031	\$ 15,031	\$ -	\$ 15,031	Install an approved sprinkler system in the current kindergarten and first grade hallway and 2nd and 3rd grade hallway that have open storage for student coats and bags. Install fire alarm visible strobes in the high school chorus practice room. Repair the classroom doors with open louvers in the K-1 and 2-3 hallways to be fire resistant by covering the louvers with 18 gauge steel to meet the 20 minute rating.	Lake Mills Elementary School - 54 years old
S-13	9	3841	11/14/2013	Louisa-Muscatine	SML FLS	\$ 25,000	\$ 25,000	\$ 12,611	\$ 37,611	Install electromagnetic hold-open devices connected to each building's fire alarm system - 67 doors at elementary and 67 doors at Jr/Sr High.	L-M Elementary and L-M Jr/Sr High
S-14	8	4023	11/18/2013	Manson Northwest Webster	SML FLS	\$ 25,000	\$ 25,000	\$ 26,058	\$ 51,058	Install 7 fire-rated doors and hardware and replace fire alarm systems at the JH/HS and Elementary buildings.	JH/HS - 1971 with an addition 1982. Elementary - 1960 with an addition 1982.
S-15	1	4043	11/7/2013	Maquoketa Valley	SML FLS	\$ 19,605	\$ 19,605	\$ -	\$ 19,605	Replace nineteen corridor doors at the high school that contain non-rated glass with fire-rated doors to comply with International Fire Code rating.	Maquoketa Valley High School
S-16	267	4599	11/14/2013	Nashua-Plainfield	SML FLS	\$ 25,000	\$ 25,000	\$ 12,611	\$ 37,611	Upgrade the junior high/senior high school fire alarm sensor system - install 165 new heat and photo sensors, and 21 new pull stations compatible with modern alarm system. Apply fire-resistant ceiling paint to specifically identified fiber-board ceiling areas of 2nd and 3rd floor ceilings in Intermediate School, lunchroom/gymnasium ceiling in Elementary School, and HS gymnasium ceiling.	Nashua-Plainfield Elementary (1961), Nashua-Plainfield Intermediate (1937), and Nashua-Plainfield Junior-Senior High (1982)
S-17	267	4785	11/18/2013	North Tama	SML FLS	\$ 25,000	\$ 25,000	\$ 11,471	\$ 36,471	Install 26 heat detectors connected to existing fire alarm system. Upgrade electrical outlets in seven high school classrooms on second and third floor of the original 1917 high school building. Upgrade electrical outlets in thirteen elementary classrooms of the 1964 addition.	North Tama Elementary - 49 years old. North Tama High School - 96 years old.
S-18	267	4788	11/19/2013	Northwood-Kensett	SML FLS	\$ 25,000	\$ 25,000	\$ 6,284	\$ 31,284	Install electromagnetic hold-open devices on 33 doors connected to the fire alarm system for both buildings.	Northwood-Kensett Elementary - 59 years old. N-K Secondary - 40 years old.
S-19	8	5724	11/18/2013	Ruthven-Ayrshire	SML FLS	\$ 6,034	\$ 6,034	\$ -	\$ 6,034	Install a rated 90 minute door with self-closing devices for the boiler room, hood fire suppression system for the six burner range, hood to vent heated gases from the kiln, and install 1" aluminum shades throughout the building.	Ruthven Building - 67 years old
S-20	8	5868	11/18/2013	Sentral	SML FLS	\$ 17,568	\$ 17,568	\$ -	\$ 17,568	Remove all deadbolt locks and replace with lever handle locks for all classrooms, restrooms, kitchen door, weight room, and tornado shelters.	North Union - Sentral Campus - 63 years old
