Recommendation: It is recommended that the State Board adopt the changes to chapter 6.

Background: This rule would allow the state to conduct appeal processes consistent with those on the federal level if that is a requirement for compliance to a federal program. This addition to the section on the appeals process lists three specific federal programs that require such a system. In addition, should other federal programs require the state to have such an appeals process, it would allow that to occur.

There were no comments received regarding the Chapter 6 rules during the public hearing process.

EDUCATION DEPARTMENT [281]

Adopted and Filed

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby proposes to amend Chapter 6, “Appeal Procedures,” Iowa Administrative Code.

The proposed new rule is intended to keep the state of Iowa in compliance with appeal procedures in federal regulations. New subrule 6.23(2) contains references to the particular programs for which adherence to the appeals process is required. This is not an exhaustive list. In all other cases, the federal appeals process is enacted only if the program contains an appeals process requirement with which Iowa maintains compliance.

An agencywide waiver provision is provided in 281—Chapter 4.

Notice of Intended Action was published in the June 11, 2014, Iowa Administrative Bulletin as **ARC 1498C**. Public comments were allowed until 4:30 p.m. on July 1, 2014.
