**Comments:** All requirements were communicated to South Dakota State University. South Dakota State University provided scanned copies of documents and links to websites (South Dakota State University as well as accrediting agencies) for verification of evidence. Iowa Department of Education (Department) staff reviewed all evidence and compared to requirements, with special attention to accreditation status of the institution and the preparation program. Evidence proved compliance with all requirements. After this review, Department staff recommends the State Board approve South Dakota State University for enrollment.
