Recommendation: It is recommended that the State Board hear and discuss this information.

Background: Each year the State Board identifies Policy Development Priorities at the State Board Retreat in June. Goals and indicators of progress have been identified for each priority in order to monitor progress. Department staff has been working to develop proposed goals and indicators of progress. During this session, we will provide a status update related to these efforts as well as a Master Calendar that has been updated to include a number of sessions at Board meetings throughout the coming year that will address the Policy Development Priorities.
