Division of Learning and Results

Mike Knedler, State Board Member

Hannah Rens, State Board Member

Attachments:

None

Recommendation:

It is recommended that the State Board hear and discuss this information.

Background:

Information will be shared regarding the process that will be used to write the rollout plan for the new Iowa science standards that the State Board adopted August 6, 2015. The plan will contain ideas for public relations, professional development opportunities, and timeline. A more detailed plan and accompanying documents will be written this fall for dissemination.
