Recommendation: It is recommended that the State Board approve Arkansas State University online educator preparation program for registration with the Iowa College Student Aid Commission.

Background: U.S. Department of Education regulations (34 CFR § 600.9) require an institution that offers online courses and programs, including educator preparation programs, to be registered with each state in which students of the programs reside, if the state requires that the institution be registered in that state. Iowa Code chapter 261B, as modified effective July 1, 2009, requires an institution that maintains or conducts a course of instruction in Iowa, including through distance education, to register with the Iowa College Student Aid Commission.

| 3. That the candidates graduating from the institution receive prominent written disclosure from the institution in all published and Web-based materials that describe the educator preparation program(s) as follows (slight paraphrasing is permitted):  
  • A student seeking an Iowa educator license is advised that successful completion of this institution’s program(s) of educator preparation does not qualify you for initial educator licensure by the Iowa Board of Educational Examiners.  
  • A candidate seeking licensure in the State of Iowa must first be licensed/certified as an educator in the state in which preparation was completed. This institution shall assist a candidate in contacting the appropriate licensing board in the state in which the candidate’s preparation was completed. This institution shall assist the candidate in understanding the requirements of the appropriate licensing board prior to the candidate’s completion of this institution’s program(s) of educator preparation.  
  • A candidate seeking subsequent licensure from the Iowa Board of Educational Examiners must contact Board (515/281-5849; [http://www.boee.iowa.gov/](http://www.boee.iowa.gov/)) for licensure requirements in Iowa. | Website             | Done           |
| 4. That the institution’s educator preparation programs are regionally accredited. | Websites:

**Comments:** All requirements were communicated to Arkansas State University. Arkansas State University provided scanned copies of documents and links to websites (Arkansas State University as well as accrediting agencies) for verification of evidence. DE staff reviewed all evidence and compared to requirements, with special attention to accreditation status of the institution and the preparation program. Evidence proved compliance with all requirements. After this review, DE staff recommends the State Board approve Arkansas State University for enrollment.
