**Attachments:**

None

**Recommendation:**

It is recommended that the State Board hear and discuss this information.

**Background:**

The Iowa Reading Research Center has been conducting a study of intensive summer reading programs (ISRP). This brief time will be an opportunity for the Iowa Reading Research Center to share with the Board information about how the study aligns with the ISRP rules the Board passed in December 2015. Although no results are available at this time, the Board will have an opportunity to share their perspective on how the upcoming results might be shared with school districts across the state.
