Mandatory Reservation of Funds

Section 1113 (c)(3)(A) states, "A local educational agency shall reserve such funds as necessary under this part to provide services comparable to those provided to children in schools funded under this part to serve homeless children who do not attend participating schools, including providing educationally related support services to children in shelters and other locations where children may live."

The LEA must set aside funds for services to homeless children on Title I budget application. School districts must establish a method for allocating Title I, Part A, set asides for homeless children and youth. Generally, these methods involve conducting a needs assessment for homeless students in the school district or basing the set-aside amount on a formula, such as a per pupil expenditure. Determining an appropriate amount requires coordination between the Title I Coordinator and the Homeless Coordinator.

Liaison Name:

Liaison Title:

Liaison Email:

Enter the date when the Local Homeless Education Liaison met with the Title I Coordinators to discuss needs of homeless children and youth and what amount should be set aside through Title I for these children.

0

Number of Homeless students reported by your district in Spring Student Reporting in Iowa (SRI).

The district should indicate the method that was used to set aside an amount for homeless children and youth. Below are methods that may be used to calculate the local Title I, Part A, set aside:

Method #1: Reserve the set aside amount based on anticipated needs of homeless students. Based on the district's prior years expenses related to fulfilling the requirements set out in Section 722(g)(6) of McKinney-Vento, set aside an amount that will allow the district to provide appropriate services.

The Iowa Department of Education is a recipient of funds from Title I, Part C/Migrant Education Program (MEP). The MEP is a supplemental education program that addresses the needs of migrant students that arise because of the migrant lifestyle. As a recipient of funds from this federal program, the Department is required to identify students on a statewide basis who meet the eligibility requirements of the program. To expedite the identification of students, we ask that schools include the Migrant Education Parent form in their registration packet and ask that each family complete and return the form.

The Migrant Education Parent Form can be found in multiple languages at the following link. Please download this form and include it in registration packets.
[Click here for forms](#)

If you are interested in learning more about the migrant program, please visit the Department of Education's website at [Department of Education's Website](#) or contact Geri McMahon at geri.mcmahon@iowa.gov, 515-281-3944 or Susan Selby at Susan.Selby@iowa.gov, 515-281-4732

Please identify a migrant liaison in your district who will be responsible for fulfilling the following duties:

- Ensuring the Migrant Education Parent Forms are included in registration packets
- Assisting parents in completing the form
- Gathering, scanning, and emailing the forms to Identification & Recruitment Coordinator Alex Johnson, alex.johnson@iowa.gov
- Completing a withdrawal form when the migrant students moves

I assure the state that the district will permit a child who transferred to another public school under the No Child Left Behind Act of 2001 (NCLB) to remain in that school until the child has completed the highest grade in that school.

I assure the state that the district will identify students eligible for SES using the same procedures and measures as in the 2015 - 2016 school year.

Each district with at least one SINA 2+ building must provide to students eligible for SES alternative supports and activities intended to improve student outcomes. Describe the alternative supports and activities that the district will provide to students eligible for SES.
