

Based upon available data and your security settings, this report displays the individual student's performance over time on the Iowa Test of Basic Skills (ITBS) or Iowa Test of Educational Development (ITED).

Note: The race and ethnicity of Iowa students was collected in a new manner beginning in 2009-2010. Iowa is making this change in accordance with federal government requirements. These changes could impact the reporting of disaggregations by race/ethnicity. Trend lines could differ between 2008-2009 and 2009-2010 when looking at subgroup data because of the different method of collecting race/ethnicity information.
