SUBJECT: Advanced Placement Exam Reimbursement for 2009-10

The State of Iowa will not be covering half of the Advanced Placement (AP) exam costs for students for the 2009-10 school year. The legislature did not allocate funds to defray a portion of each AP exam fee for students who do not qualify for the low-income funding reimbursement last spring. Please communicate this information to appropriate staff so students affected by this will know they will need to pay full price for AP exams.

It is anticipated that AP reimbursement for the low-income students will be the same as in the past. More information on this process will be in School Leader Update when it is available. If you have any questions, feel free to contact me at 515.281.3333 or Kevin.Fangman@iowa.gov.
