

Appendix D: Contractual Terms

APPLICANTS ARE NOT REQUIRED TO RESPOND TO THESE SECTIONS.

A. Contractual Terms Generally

The contract that the Agency expects to award as a result of this Request for Proposal will be based upon the bid proposal submitted by the successful vendor and this solicitation. The contract between the Agency and the successful vendor shall be a combination of the specifications, terms and conditions of the Request for Proposal, including the terms contained herein, the offer of the vendor contained in the technical and cost proposals, written clarifications or changes made in accordance with the provisions herein, and any other terms deemed necessary by the Agency.

The contract terms contained herein are not intended to be a complete listing of all contract terms but are provided only to enable vendors to better evaluate the costs associative with the RFA and the potential resulting contract. Vendors should plan on such terms being included in any contract awarded as a result of this RFA. All costs associated with complying with these requirements should be included in the revenue proposal or any pricing quoted by the vendor.

By submitting a proposal, each vendor acknowledges its acceptance of these specifications, terms, and conditions without change except as otherwise expressly stated in its proposal. If a vendor takes exception to a provision, it must state the reason for the exception and set forth in its proposal the specific contract language it proposes to include in place of the provision. Exceptions that materially change these terms or the requirements of the RFA may be deemed non-responsive by the Agency, in its sole discretion, resulting in possible disqualification of the proposal. The Agency reserves the right to either award a contract without further negotiation with the successful vendor or to negotiate contract terms with the selected vendor if the best interests of the Agency would be served.

B. Terms and Conditions

B1. Nonexclusive Rights. The Contract will not be exclusive. The Department will reserve the right to select other Applicants to provide services similar or identical to the Scope of Services described in this Contract during the term of this Contract.

The Agency may pay in less than sixty (60) days, as provided in Iowa Code section 421.40. However, an election to pay in less than sixty (60) days shall not act as an implied waiver of Iowa Code section 421.40.

Unless otherwise agreed in writing by the parties, the Contractor shall not be entitled to receive any other payment or compensation from the State for any goods or services provided by or on behalf of the Contractor under this Contract. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under this Contract.

C3. Delay of Payment Due to Contractor's Failure. If the Agency in good faith determines that the Contractor has failed to perform or deliver any service or product as required by this Contract, the Contractor shall not be entitled to any compensation under this Contract until such service or product is performed or delivered. In this event, the Agency may withhold that portion of the Contractor's compensation, which represents payment for service or product that was not performed or delivered.

C4. Set-Off Against Sums Owed by the Contractor. In the event that the Contractor owes the State any sum under the terms of this Contract, any other Contract, pursuant to any judgment, or pursuant to any lack the State may set off the sum owed to the State against any sum owed by the State to the Contractor in the State's sole discretion, unless otherwise required by law. The Contractor agrees that this provision constitutes proper and timely notice under the law of setoff.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and No procurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Exhibit C

CERTIFICATION OF COMPLIANCE WITH PRO-CHILDREN ACT OF 1994

The Contractor must comply with Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities (other than clinics) where WIC coupons are redeemed.

The Contractor further agrees that the above language will be included in any sub awards that contain provisions for children's services and that all sub grantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1000 per day.
