EQUAL EDUCATIONAL OPPORTUNITY

It is the policy of the [insert school district name] Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact [Name of Equity Coordinator(s), contact address, contact telephone number, contact email address].

The board requires all persons, agencies, vendors, contractors and other persons and organizations doing business with or performing services for the school district to subscribe to all applicable federal and state laws, executive orders, rules and regulations pertaining to contract compliance and equal opportunity.

NOTE: A school district may have a different coordinator for each law or consolidate the responsibilities under one employee. The Iowa Department of Education encourages districts to have no more than two (2) coordinators: one for employment and one for programs. If the district has more than one coordinator, publications of this policy and notifications must include the name, contact address, contact phone number and email address for each coordinator.

NOTE: The language utilized above is consistent with Iowa Department of Education guidance released in the School Leader Update on September 1, 2015. The classes listed are all mandatory.

NOTE: Some conduct that falls under a school’s equal educational opportunity policy also may trigger responsibilities under the state’s anti-bullying/anti-harassment laws. By limiting the response to a specific application of its equal educational opportunity policy and the accompanying grievance procedures, a school may fail to properly consider whether the alleged conduct also results in bullying and/or harassment.

GRIEVANCE PROCEDURE

It is the policy of the [insert school district name] Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact [Name of Equity Coordinator(s), contact address, contact telephone number, contact email address].

Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint

A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the equity coordinator(s). An alternate will be designated in the event it is claimed that the equity coordinator or superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within [state number of days - 180] of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The equity coordinator(s) shall assist the Complainant as needed.

Investigation

Within [state number of days - 15] working days, the equity coordinator will begin the investigation of the complaint or appoint a qualified person to undertake the investigation (hereinafter “equity coordinator”). If the Complainant is under 18 years of age, the equity coordinator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

- A request for the Complainant to provide a written statement regarding the nature of the complaint;
- A request for the individual named in the complaint to provide a written statement;
- A request for witnesses identified during the course of the investigation to provide a written statement;
- Interviews of the Complainant, Respondent, or witnesses;
- An opportunity to present witnesses or other relevant information; and
- Review and collection of documentation or information deemed relevant to the investigation.

© IASB POLICY REFERENCE MANUAL
Within [state number of days - 60] working days, the equity coordinator shall complete the investigation and issue a report with respect to the findings.

The equity coordinator shall notify the Complainant and Respondent of the decision within [state number of days – 5] working days of completing the written report. Notification shall be by U.S. mail, first class.

**Decision and Appeal**

The complaint is closed after the equity coordinator has issued the report, unless within [state number of days - 10] working days after receiving the decision, either party appeals the decision to the superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The equity coordinator shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within [state number of days - 30] working days, the superintendent shall affirm, reverse, amend the decision, or direct the equity coordinator to gather additional information. The superintendent shall notify the Complainant, Respondent, and the equity coordinator of the decision within [state number of days – 5] working days of the decision. Notification shall be by U.S. mail, first class.

The decision of the superintendent shall be final.

The decision of the superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law.

This policy and procedures are to be used for complaints of discrimination, in lieu of any other general complaint policies or procedures that may be available.

If any of the stated timeframes cannot be met by the district, the district will notify the parties and pursue completion as promptly as possible.

Retaliation against any person, because the person has filed a complaint or assisted or participated in an investigation, is prohibited. Persons found to have engaged in retaliation shall be subject to discipline by appropriate measures.

**NOTE:** A school district may have a different coordinator for each law or consolidate the responsibilities under one employee. The Iowa Department of Education encourages districts to have no more than two (2) coordinators: one for employment and one for programs. If the district has more than one coordinator, publications of this policy and notifications must include the name, contact address, contact phone number and email address for each coordinator.

**NOTE:** The sample grievance procedures include an appeal process that ends with the superintendent. If the board chooses to have a different practice that involves the board in these grievance procedures, the procedures should be updated to reflect this practice.

**NOTE:** The Office for Civil Rights requires that the procedures must designate reasonably prompt time frames for the major stages of the complaint process. The number listed in the italic brackets for each stage includes suggested time frames based on guidance from both the United States Office for Civil Rights and the Iowa Department of Education. Districts should ensure that the time frames selected are reasonable for the individual district.

**NOTE:** Some conduct that falls under a school’s equal educational opportunity policy also may trigger responsibilities under the state’s anti-bullying/anti-harassment laws. By limiting the response to a specific application of its equal educational opportunity policy and the accompanying grievance
procedures, a school may fail to properly consider whether the alleged conduct also results in bullying and/or harassment.
ANTI-BULLYING/ANTI-HARASSMENT POLICY

**Suggestions for administrative procedures regarding this policy include:**

- Developing procedures for reporting acts of bullying and harassing behavior (see IASB sample regulation 104.R1);

NOTE: School districts are required to integrate the anti-bullying and anti-harassment policy into the comprehensive school improvement plan and shall collect and report data regarding instances of bullying and harassment as required by law.

NOTE: Some conduct that falls under a school’s anti-bullying/anti-harassment policy also may trigger responsibilities under one or more of the federal and state antidiscrimination laws. By limiting the response to a specific application of its anti-bullying/anti-harassment disciplinary policy and the accompanying procedures, a school may fail to properly consider whether the alleged conduct also results in discriminatory bullying and/or harassment.

If after an investigation a school volunteer is found to be in violation of this policy, the volunteer shall be subject to appropriate measures, which may include exclusion from school grounds.

A school employee, volunteer, or student, or a student’s parent or guardian who promptly, reasonably, and in good faith reports an incident of bullying or harassment, in compliance with the procedures in the policy adopted pursuant to this section, to the appropriate school official designated by the school district, shall be immune from civil or criminal liability relating to such report and to participation in any administrative or judicial proceeding resulting from or relating to the report.
Individuals who knowingly file false bullying and/or harassment complaints and any person who gives false statements in an investigation may be subject to discipline by appropriate measures, as shall any person who is found to have retaliated against another in violation of this policy. Any student found to have retaliated in violation of this policy shall be subject to measures up to, and including, suspension and expulsion. Any school employee found to have retaliated in violation of this policy shall be subject to measures up to, and including, termination of employment. Any school volunteer found to have retaliated in violation of this policy shall be subject to measures up to, and including, exclusion from school grounds.

NOTE: School districts must include a number of requirements in the district anti-bullying/anti-harassment policy. This regulation builds on the requirements addressed in IASB sample policy 104 by more specifically detailing sample investigation procedures. Districts should ensure that the district’s practice is reflective of the policy and regulations that the district’s leadership team has established. Please remember that the procedures outlined here should be consistent with the policy.

NOTE: Some conduct that falls under a school’s anti-bullying/anti-harassment policy also may trigger responsibilities under one or more of the federal and state antidiscrimination laws. By limiting the response to a specific application of its anti-bullying/anti-harassment disciplinary policy and the accompanying procedures, a school may fail to properly consider whether the alleged conduct also results in discriminatory bullying and/or harassment.
