

Iowa State Board of Education

Executive Summary

June 11-12, 2015

Agenda Item: Science Standards Review

Iowa Goal: All PK-12 students will achieve at a high level.

State Board Role/Authority The State Board has identified the Iowa Core as one of its priorities.

Presenters: Dave Tilly, Deputy Director
Division of Learning and Results

Brad Niebling, Consultant
Bureau of Standards and Curriculum

Attachments: None

Recommendation: It is recommended that the State Board hear and discuss this information.

Background: This is a continuation of the conversation regarding the review of academic content standards in the area of science, per Governor Branstad's Executive Order 83 to engage in a transparent, regular review of state academic content standards. A status update on the process will be shared. Possible ideas for board positions and recommendations on the standards will be provided. Opportunities for interaction around these topics will be provided throughout.
