

**Worksheet to Document Averaging Adjacent Census Block Groups to Determine Tier 1 Census Eligibility**

**Instructions:** Use the tab key. Complete yellow cells if a provider's CBG is "Maybe" (columns 4 and 5 are 40% or more but less than 50%) on FRAC map (<http://www.fairdata2000.com/CACFP/>). Provider CBG number is linked to column labeled CBG Number\*. Identify one or two eligible adjacent (touching a provider's census block) CBG numbers from the FNS map (<http://www.fns.usda.gov/areaeligibility>). Complete 12 and 18 year old data as requested. Percentages will calculate. If 18 and/or 12 year old total percentage equals 50% or more, email this completed document to: CACFP.Registration@iowa.gov. Type in subject line "Tier 1 Census Request".
