Agenda Item: Iowa Central Community College’s Bioscience and Health Sciences Program

Iowa Goal: Individuals will pursue postsecondary education in order to drive economic success.

Equity Impact Statement: This presentation describes services provided by the community colleges that support open access, education, and programs to constituents.

Presenters: Judy Jeffrey, Director
Roger Utman, Ph.D., Administrator
Division of Community Colleges and Workforce Preparation

Iowa Central Community College
Dan Kinney, Ed.D., President
Marlene McComas, Ph.D., Vice President of Instruction
Connie Boyd, Chair, Health Sciences
Donald Heck, Ph.D., Manager, Bio-Fuels Testing and Adjunct Instructor

Attachments: None

Recommendation: It is recommended that the State Board hear and discuss this information.

Background: In the fall 2009, Iowa Central Community College dedicated and opened the college’s new Biotechnology and Health Sciences Center on the Fort Dodge Campus. The new center is a “green building” and has a unique combination of programs and services offered within the center.
