Iowa State Board of Education

Executive Summary

July 30, 2009

Agenda Item: Update on Articulation—Iowa Lakes Community College and University of Iowa’s College of Engineering Joint Program

Iowa Goal: Individuals will pursue postsecondary education in order to drive economic success.

Equity Impact Statement: Educational programs and policies should promote equal opportunity for involvement and success for all members of a diverse student population.

Presenters: Roger Utman, Administrator
Division of Community Colleges and Workforce Preparation

Barry Butler, Dean
College of Engineering
University of Iowa

Darin Moeller, Executive Dean
Iowa Lakes Community College, Estherville Campus

Al Zeitz, Director
Wind Energy and Turbine Technology Program
Iowa Lakes Community College

Attachments: None

Recommendation: It is recommended that the State Board hear and discuss this information.

Background: With the state of Iowa’s continued interest in articulation agreements between the community colleges of Iowa and the Regent institutions, Iowa Lakes Community College and the College of Engineering at the University of Iowa have entered into an agreement to assist students completing the Associate in Applied Science degree in the Wind Energy and Turbine Technology Program to move into a bachelor’s degree program.
