Background: Highlights from The 20th Annual Condition of Education Report in Iowa will be presented. The 2009 report includes information about Iowa’s education system from prekindergarten through high school. The report includes a preface that provides a contextual setting for education as well as a vast amount of information on education in the state. The report provides information on enrollments, programs, student performance, staff, and finance. It serves as a resource document for educators, legislators, and citizens seeking information on Iowa’s education system.
