Agenda Item: Rules: Chapter 12 - Accreditation Standards (Notice)

Iowa Goal: All K-12 students will achieve at a high level.

Equity Impact Statement: All school districts are governed by these rules.

Presenters: Carol Greta, Attorney
Office of the Director

Del Hoover, Deputy Division Administrator
Bureau of Accreditation and Improvement Services

Recommendation: It is recommended that the State Board give public notice of its intent to amend Chapter 12.

Background: This chapter sets accreditation standards for all Iowa school districts and accredited nonpublic schools. A brief description of the five items and the rationale for the rule-making in each item are as follows:

- Item 1 strikes a reference to a statute (Iowa Code section 272.33) that has been repealed.

- Item 2 adds a clarification that one individual may not simultaneously serve as superintendent, secondary principal, and elementary principal. This proposal conforms to Iowa Code section 280.14(2). The clarification is already in subrule 12.4(4), and is added in subrule 12.4(6) as a convenience for the reader.
Item 3 rescinds the rule that required a certification of fitness because this is not an accreditation requirement. School bus drivers are still subject to a physical examination requirement.

Item 4 implements 2011 Iowa Acts, Senate File 453, by adding terms and conditions under which schools and school districts may award secondary credit to non-secondary students.

Item 5 defines the components of twenty-first century learning skills to comply with Iowa Code section 256.7(26)(a).
