Recommendation: It is recommended that the State Board hear and discuss this information.

Background: Highlights from The Annual Condition of Education Report in Iowa will be presented. The 2011 report includes information about Iowa’s education system from prekindergarten through high school. The report includes a preface that provides a contextual setting for education as well as a vast amount of information on education in the state. The report provides information on enrollment, early childhood education, staff, program, student performance, special education, and finance. It serves as a resource document for educators, legislators, and citizens seeking information on Iowa’s education system.
