c. Clarification of new voting procedures
   i. ICN now requires a quorum of RTC members for any voted action (e.g., funding approval).
   ii. Six voting members must be present to meet the quorum
      1. Two open seats for the Region I RTC: Provide referrals to chair.

d. New reporting procedures
   i. Monthly logs: Copy RTC chair when sending reports to the ICN
      1. ICN is moving to a standard reporting system. Previously it was difficult to track hours and usage due to local tracking procedures. The ICN has created a uniform, Excel spreadsheet system that the Network Specialist and ICN Regional Scheduler will use to track hours and duties.

      2. Chris asked Bob to clarify the system for reporting used by the Video Technicians. Bob is responsible for submitting service desk reports to the ICN, which he then approves and returns to the ICN.

e. Regional Support Services Plan and Budget Template FY 2013 Report
   i. Funds distribution
      1. Under the old system, funds were distributed once a year. The new guidelines specify that funds will be released twice a year:
         a. Once the RTC plan has been submitted the first half of RTC funds will be released
         b. The second half will be distributed in January or February contingent upon the ICN receiving all required documentation

      ii. Vote:
         1. Chair Ostwinkle referred the group to the Regional Support Document. A review of the document was completed. He then asked for suggested changes to the distribution of funds.
funds, which has typically been a 60/20/20. No modifications were suggested for the current distribution system.

2. A quorum was not met during this meeting. Therefore, Chair Ostwinkle suggested that the vote on the Regional Support Document be submitted by e-mail. No objections – the motion passed.

E-mail Vote

Due to a lack of quorum at the official meeting of June 26, 2012, an e-mail announcement and vote was held the week immediately following. The e-mail read as follows:

Hello Everyone,

Thanks to all that attended last week’s RTC - Region 1 meeting. As discussed during the meeting - the state requires us to have at least 6 voting members present and able to vote for all budget related items. Since we had only 5 eligible voters present - we are voting on the budget items via e-mail. I have contacted the state (ICN) to verify that this is permissible - and we have the OK to move forward in this fashion.

We need to vote on two items:

1) The "Regional Support Services Plan and Budget Template FY2013" document.
2) The "Proposal for RTC Balance Carryover Funds"

Please note that the dollar amount for item #2 above is $3,086.43.

I have attached both documents/items to this e-mail. When you respond (to me only) - please tell me your vote for both item #1 and item #2. Please label both very clearly in your reply. I would appreciate your response by July 6, 2012.

Thanks,

Chris

All votes were returned by e-mail (with the exception of member Karen Randall who works for the local AEA and would directly receive/benefit from funds and abstained) and the vote for both items #1 and #2 was 6-0-1 (yes, no, abstain).
