Native Language

The native language of a student

Code	Description	Definition
	Three letter Language Code	ISO 639-2 Codes

User Notes

1. Required for all PK-12 students
2. Value must be lowercase
3. Refer to Addendum C for a list of languages and codes
- 3.1 When a language code can't be found in Addendum C, search "Language Family" at <http://www.ethnologue.com/world> to help identify which of the codes to use.
- ~~4. Value cannot be 'eng' for ELL students~~
5. Legal reference: 281-41.29 Native Language 41.29(1) General. "Native language," when used with respect to an individual who is limited English proficient, means either of the following:
 - a. The language normally used by that individual or, in the case of a child, the language normally used by the parents of the child.
 - b. The language normally used by the child in the home or learning environment; this language shall be considered "native language" in all direct contact with a child, including evaluation of the child.
6. Native Language, when used in reference to an adopted or foster care child from a foreign country, is the language used by the child prior to entering the United States.

Data Element Rollover

- Yes

Vendor Notes

- ~~• A non-English code is required if ELL Status (D0420) contains values 1, 2, 3, or 4.~~
- Value must be lowercase.

Grade Level

Grade level of the student during the current school year

Code	Description	Definition
PK	Pre-kindergarten	
KG	Kindergarten	
01-12	First through twelfth grade	

User Notes

1. Required for all PK-12 students
2. PK and KG must be UPPERCASE
3. For multi-age classrooms or ungraded classrooms, an age-appropriate grade level should be assigned.
4. Kindergarten students must be 5 years of age on September 15, have a Grade Level of KG and **be given a Kindergarten Literacy Assessment.**

5. Districts should not enroll an out-of-state kindergartener who does not meet the age 5 requirement (Sept 15) for entering kindergarten. The student will not be funded through certified enrollment. According to the August 2009 School Leader Update, "Iowa Code § 282.3 unequivocally states that a child must be five on or before September 15 to enter kindergarten and must be age 6 on or before September 15 to enter first grade." Iowa Attorney General's Opinion (#79-7-3) states that NO ONE has discretion to overlook this law. That means no exceptions — it doesn't matter that the child moved in from another state where the child has been in kindergarten most of the year already.

5.1 A helpful document and chart that details distinctions between PK and K students and requirements may be found at: <https://www.educateiowa.gov/documents/literacy/2015/01/2014-11-12-eli-preschool-and-kindergarten-powerpoint> The chart is also in Addendum G1.

PK Students

8. All PK students in a Statewide Voluntary Preschool Program and / or a district sponsored program are to be submitted for Student Reporting.
9. PK students 3 years of age or older, with an instructional IEP are counted in certified enrollment.
10. PK Regular Education 3-year-olds and 3-year olds on a support services IEP are not counted in certified enrollment.
11. PK 4-year-olds in regular education or with a support services only IEP who are both enrolled for 10 hours or more per week in a Statewide Voluntary Preschool Program and identified as funded by SWVPP are funded through the certified enrollment process.

5th Year Seniors

6. 5th year seniors are to be considered grade 12.
7. 5th year seniors will be counted in the denominator but not the numerator of the 4-year graduation cohort calculation. In a 5-year cohort graduation rate, 5th year seniors who graduate by the end of the 5th year of high school will be included in the graduation rate.

Data Element Rollover

- Yes not including graduates and retentions
- Nonresident PK 4 year old students in the SWVPP from the previous year who are not returning to the district for kindergarten will create errors in Fall Student Reporting. Do not roll them over, exclude them from state reporting, or delete them from the next year's database.

Vendor Notes

- PK and KG must be UPPERCASE

Homeroom / HSAP Teacher Folder Number

The Iowa Department of Education folder number of the student's homeroom teacher.

Code	Description	Definition
------	-------------	------------

User Notes

1. Required for elementary students (grades KG -8) in a self-contained elementary classroom being taught language arts, reading and math by the same teacher. If elementary courses are scheduled (CR records included in Student Reporting file) with teacher folder number included, homeroom teacher may be null.
2. Required for all HSAP students. The folder number is that of the HSAP teacher making the contact with the student.
3. Optional for all scheduled elementary and secondary students.
4. The folder number is assigned by the Board of Educational Examiners. Newly assigned folder numbers are seven digits.
5. If the teacher folder number has not yet been issued, you may temporarily use 9999999.

Data Element Rollover

- Yes, with the teacher information

Vendor Notes

- The teacher folder number should be a one time entry per staff member.

Entry Date into District

The most recent date that begins continuous enrollment in the district

Code	Description	Definition
	MM/DD/CCYY	

User Notes

1. Required for all PK-12 students
2. The date does not change for a student who continues from year to year in the same district regardless of the schools in which the student has been or is enrolled.
3. If a student transfers (Exit Code 1), Open Enrolls Out, Tuitions Out, Drops out, or exits with an Illness (not receiving educational services) for 1 or more instructional days and then returns, the entry date into district should reflect the return date.
4. When two districts merge or enter a whole grade sharing agreement, the student's entry date into the district does not change.
5. If your district changes Student Information Systems, use the Entry Date from the previous SIS. Do not create a new default date. For assistance, contact a Student Reporting consultant.

Data Element Rollover

- Yes. This is the most recent date that begins continuous enrollment. It does not change unless the student leaves and then returns to the district.

Vendor Notes

- The date is the beginning date of continuous enrollment in the district and not the date of the conversion to a new student information system.

School Number

The four-digit code assigned to each school building by the Iowa Department of Education

Code	Description	Definition
	Four numeric characters	

User Notes

1. Required for all PK-12 students
2. All school numbers are included in the Iowa Educational Directory with the exception of SWVPP off site locations. Addendum G contains the off site preschool building numbers. ~~The school number 0100 is used for Whole Grade Sharing Out if the resident district is including whole grade sharing out students in state reporting.~~
3. Use the state-assigned 4-digit school/building number for a 4 year old statewide voluntary preschool program.
4. The district level building number of '0000' can be used for students who are Tuitioned-Out, Open Enrolled-Out, HSAP, or CPI Dual Enrolled for activities or testing only. It may also be used for non-SWVPP funded PK students attending in a facility that does not have a state assigned school building number; for non-public shared time students enrolled for PSEO courses only; and for students in residential treatment facilities in your district when the education occurs at the facility except for Woodward Academy, Clarinda Academy, and Orchard Place.

Entry Date

The beginning date of this enrollment period

Code	Description	Definition
	MM/DD/CCYY	

User Notes

1. Required for all PK-12 students
2. Students included in the rollover from the prior year will have an entry date into the new school year within the range of July 1 to the first day of school of the current school year.
3. JMC and Powerschool users cannot use an Entry Date prior to the first day of school. Follow your vendor's instructions to ensure students are being included with the correct entry date in the Student Reporting extract.
4. New students into a district after Day 1 will have an Entry Date of the first date of attendance. Their Entry Date is the first day for which they are both enrolled and participating in classes.
5. JMC users: To correctly enter a new student after the first day of school, go to Attendance > Student > Add Student and enter the correct Day Number.
6. When a student reenters the district after transferring out of the district, create a new enrollment record with the reentry date, entry code, and enrollment information. Do not change the previous enrollment.
7. When a change in school, entry code, CPI Dual Enrollment, FTE, Resident District, Resident County, Accountable District, Nonpublic school number, Foster Care, Service Provider / Facility, Service / Facility Type, Receiving Educational Services **or IEP Level** occurs while a student is continuously enrolled in your district, end the first enrollment and create a new enrollment. Entry Type

Where did the student come from before this entry into the school?

The process by which a student enters a school during a given academic session.

Code	Description	Definition
01838	Original entry into a United States school	Student is entering a US school for the first time and has no previous school attendance. Used primarily for PK or KG students.
01835	Re-entry from the same school with no interruption of schooling	Used at the beginning of the year for students who are continuing enrollment in the same building or for a re-enrollment following an exit code of '14' End or Change Enrollment.
01821	Transfer from a public school in the same local education agency	Student is changing buildings within the same district (re-enrolled after an exit code of '28' Within District Transfer) or student is progressing from one building to another at the beginning of a school year,
01822	Transfer from a public school in a different local education agency in the same state	Student is coming from another public district in Iowa.
01823	Transfer from a public school in a different state	Student is coming from a public school in a state other than Iowa
01824	Transfer from a private, non-religiously-affiliated school in the same local education agency	
01825	Transfer from a private, non-religiously-affiliated school in a different local education agency in the same state	
01826	Transfer from a private, non-religiously-affiliated school in a different state	
01827	Transfer from a private, religiously-affiliated school in the same local education agency	Student is entering public school from an accredited non-public school, or an accredited non-public student is changing buildings in the same LEA
01828	Transfer from a private, religiously-affiliated school in a different local education agency in the same state	Student is entering from an accredited non-public school in another LEA
01829	Transfer from a private, religiously-affiliated school in a different state	Student is entering the district, coming from a non-public school in a state other than Iowa
01830	Transfer from a school outside of the country	Student was previously enrolled in a US school, moved out of country and is returning to a US school.
01831	Transfer from an institution	Student is entering the district, coming from a DHS Program (Juvenile Home, Training School, MHI), Regents School, or prison
01832	Transfer from a charter school	Out of state or in-state
01833	Transfer from home schooling	Includes non-accredited schools
01836	Re-entry after a voluntary withdrawal	Student is re-enrolling after being exited (e.g. dropout or prolonged illness) and did not attend another school before re-enrolling.
01837	Re-entry after an involuntary withdrawal	Student is re-enrolling after an expulsion
01839	Original entry into a United States school from a foreign country with no interruption in schooling	Student is entering a US school for the first time and was previously enrolled in a school in a foreign country.

For more information:

Use:

Entry Type

- 01840 Original entry into a United States school from a foreign country with an interruption in schooling
- 09999 Other

User Notes

1. Required for all PK-12 students with BEDS Entry Codes 1, 2, 3, 4, 5, 10, 11, 15, 17, 19, 30, and 81, and with days enrolled > 1 (full time enrollments) .
2. Not required for students with Entry Codes 6-9, 12-14, 16, 18, 21-23, 27-29, 40, and 82 (part time enrollments).
3. For students continuing their enrollment within the district, the vendor should populate Entry Type with '01835' continuing in the same school or '01821' continuing in the district but from a different school.
4. New enrollees in preschool or kindergarten will have an Entry Type of '01838' Original entry into a United States school.
5. New enrollees transferring from outside the district will need an Entry Type identifying the type and location of the former school.

Data Element Rollover

- When rolling over to the next year, the vendor should calculate and enter. For students continuing their enrollment in the district and in the same school, populate Entry Type with '01835'. For students continuing in the district but from a different school, populate with Entry Type '01821'.

Entry Code

User Notes

1. Required for all PK-12 students
2. Students who are continuing an Exit Code from the previous year (Tuition Out, Open Enrolled Out, Whole Grade Sharing Out, etc.) should have an Entry Code that reflects the actual type of entry into the district followed by the correct Exit Code.
3. Foster Care students on a Support Services Only IEP become residents of the district in which the foster care family/facility is located.
4. Instructional IEP students attending in your district due to whole grade sharing must have an entry code of '4' Tuition In District Paid.
5. PK students cannot be Open Enrolled or Tuitioned In District Paid to another district unless they have an instructional IEP.
6. The Entry Code for Foreign Students generally depends on the visa they hold:
 - J-1 Visa 11 Foreign Exchange Student
 - F-1 Visa 3 Tuition In Parent-Paid
 - Other Visa 19 Foreign Student on Visa
- Only Foreign Students with Entry Code 19 are included in Certified Enrollment
7. If an entry code of a student changes throughout the year but the school remains the same, the enrollment of the original status needs to be ended with an exit code of '14' (end or change enrollment). The student is then reenrolled with a new entry code and resident district, if applicable.
8. BEDS Entry Codes (students served): 1, 2, 3, 4, 5, 10, 11, 15, 17, 19, and 30 **except when Service / Facility Type = '8' Border Agreements.**
9. Nonpublic BEDS Entry Codes (students served): 10, 11, 19, and 81. Requests for Textbook Services requires Entry Code 81.
10. Certified Enrollment Entry Codes (students funded by residency): 1, 2, 4, 5, 6, 7, 8, 9, 12, 13, 14, 19, 21, 22, 23, 27, 28, 29, and 40.
11. AYP Entry Codes: 1, 2, 3, 4, 5, 15, and 19 **except when Service / Facility Type = '8' Border Agreements.**
12. For the impact of entry codes on Supplementary Weighting Entry Code, see Addendum N: Supplementary Weighting *via* Student Reporting.

Open Enrollment

13. Open enrollment follows the student. A student who open enrolls from District A into District B that WGS with District C remains under open enrollment whether the student is attending in District B or District C. The open enrollment transfers between Districts B and C, depending on the district serving the student. If the parent rescinds the open enrollment, then the student is no longer under open enrollment.
14. A student with an IEP can participate in open enrollment to the same extent that a student without an IEP can participate. A fifth year 12th grade IEP student under open enrollment can participate in an off-site program, usually offered by a community college or AEA, to work on his/her transitional goals. Once the IEP team indicates the goals have been met, the open enrolled district codes the student as a graduate with graduate information.
15. Open enrollments are temporarily suspended for students placed in residential treatment.

Homeschool Students not under Dual Enrollment or HSAP

16. Do not enter home school only students into your SIS. To get bar code labels for the Iowa Assessments, use the 32 column spreadsheet with Headers from the Iowa Testing Program. You only need to complete the first six columns. The remaining columns are left blank. Instructions may be found at <http://itp.education.uiowa.edu> (Click on Document Center, Bar Code Information and Bar Code Template) or by calling (800) 323-9540.
17. If you enter home school only students in your SIS, do not include the student in Student Reporting. Mark "Exclude from State Reporting" or place in a unique building that is not submitted. When you are ready to create the bar code file, temporarily remove the "Exclude from State Reporting". When done, change back to "Exclude from State Reporting". Use an Entry Code of 6.
18. IPI (Independent Private Instruction) 9-12 students who are taking concurrent enrollments classes use Entry Code 40 and an FTE calculated based upon the time in the concurrent enrollment classes. They are not dual enrolled.

Data Element Rollover

- Yes. For Active non Graduates, use the most recent Entry Code.

CPI Dual Enrollment

The type of activities the parent of a home school student is requesting.

Code	Description	Definition
1	Academic activities	Classroom instruction; includes classroom instruction provided by a special education classroom teacher
2	Extracurricular activities	Participation in activities that occur outside the regular school day. Applies most generally to high school students for athletic participation, but may apply to elementary-aged home school students seeking to participate in school events that occur outside the classroom e.g. field trips.
3	Both academic and extracurricular activities	Classroom instruction and participation in school events that occur outside the classroom.
4	Testing Only	Participation in the state assessment only.
5	Special Education support services only	Includes services usually provided by the AEA, such as speech-language or hearing services or supports, or physical therapy.
99	Not applicable	

User Notes

1. Required for all PK-12 students
2. Must be '1' for IPI students with Entry Code 40.
3. Must be '1' - '3' or '5' for CPI K-12 Dual Enrolled students as indicated on Form A
4. Students receiving competent private instruction may dual enroll to participate in any **academic activity** in the district and shall also be permitted to participate on the same basis as public school children in any **extracurricular activity** available to children in the child's grade or group. Students dual enrolled for either or both of these purposes shall not be required to pay the costs of the annual testing. Legal reference 299A.8 DUAL ENROLLMENT
5. Home schooled students for whom special education services have been requested and who will be receiving instruction from a classroom teacher will be identified as either:
 - '1' Academic activities, if the special education services are instructional or
 - '3' Both academic and extracurricular activities, if the services requested include extracurricular activities as well as receiving instructional services from the classroom teacher.
6. Home school students who will be receiving testing only **or special education support services only** are not eligible for funding.

Homeschool Students

6. Do not enter homeschool only students into your SIS. To get bar code labels for the Iowa Assessments, use the 32 column spreadsheet with Headers from the Iowa Testing Program. You only need to complete the first six columns. The remaining columns are left blank. Instructions may be found at <http://itp.education.uiowa.edu> (Click on Document Center, Bar Code Information and Bar Code Template) or by calling (800) 323-9540.
7. If you enter the student in your SIS, do not include the student in Student Reporting. Mark "Exclude from State Reporting" or place in a unique building that is not submitted. When you are ready to create the bar code file, temporarily remove the "Exclude from State Reporting". When done, change back to "Exclude from State Reporting". Use an Entry Code of 6.

Junior Senior Rule

Is the student continuing his or her enrollment under the Junior Senior Rule?

Code	Description	Definition
1	Yes	
0	No	

User Notes

1. Required for all PK-12 students
2. The Junior/Senior Rule allows 11th and 12th grade regular education students that move out of a district to return to the district that he/she attended during the preceding school year, tuition-free, until they graduate even though they are no longer residents of the district. They will continue to list their attending district and county as their resident district and county.
3. The Junior/Senior Rule does not apply to Special Education students. Their entry code becomes tuition in from the true resident district and county.
4. If the student was open-enrolled into the district prior to completing tenth or eleventh grade, the student continues as open enrolled. The Junior-Senior Rule does not apply.
5. The Junior Senior Rule does not apply if the student moved out of state and continues enrollment in the district he/she attended the preceding school year.

User Notes

1. Required for all PK-12 students
2. Active students with FTE > 0.00 cannot have 0 days enrolled.
3. Required for all students with FTE > 0.00 and who are receiving district instruction or in programs covered by the district's net current expenditures. For every student with a district expenditure, there is a federal requirement to collect attendance information through the National Public Education Financial Survey (NPEFS). This includes SWVPP and CPI HSAP students as well as students in shelter care, detention centers, day treatment programs, residential treatment, and community college/AEA programs.
4. One day should reflect an individual student's day. For students assigned to attend only half or partial days, a day enrolled = 1. FTE will be used to adjust the total days for attendance reports.
5. Half-day pre-kindergarten and kindergarten students should be reported as full days.
6. Know how your student information system operates to calculate 0 days enrolled for summer transfer students. For JMC, exit the student on Day 0. For PowerSchool, exit the student on the first day of school. For Infinite Campus exit the student prior to the first instructional date in the calendar.

Days Unexcused

Number of times a student had an unexcused absence for his/her entire day

Code	Description	Definition
	Whole number	

User Notes

1. Required for all PK-12 students
2. Unexcused absences are determined by the district. Only days for which the student was unexcused for his or her entire day count as days unexcused.
3. Out-of-school suspensions are excused absences.
4. In-school suspensions are days present.
5. Expulsions require an exit code and are not included as days enrolled or days present.

Resident District

User Notes

1. Required for all PK-12 students
2. "Resident" means a child who is physically present in a district, whose residence has not been established in another district by operation of law, and who meets any of the following conditions: a. Is in the district for the purpose of making a home and not solely for school purposes; b. Meets the definitional requirements of the term "homeless individual" under 42 U.S.C. § 11302(a) and (c). (IC 282.1)
3. For students with an Entry Code of '15' Tuitioned In State Paid, the resident district is 9098 for students residing on public university property in Ames, Iowa City, and Cedar Falls; the Iowa School for the Deaf in Council Bluffs; or the Iowa Braille & Sight Saving School in Vinton.
 - 3.1 For students with an Entry Code of '15' Tuitioned In State Paid, the resident district is 9889 for IEP students in the care and custody of DHS and living in a foster arrangement. 9889 is also used as the resident district for IEP students whose parents cannot be located in Iowa or are residing out of state.
 - 3.2 For students with an Entry Code of '15' Tuitioned In State Paid, the resident district is 9888 for IEP students where the court has terminated parental rights. These students are probably in the care and custody of DHS and living in a foster arrangement.
4. For students with Entry Code '10' Tuitioned In NonResident Out-of-State, the resident district is Illinois - 9004, Kansas - 9006, Minnesota - 9002, Missouri - 9005, Nebraska - 9007, South Dakota - 9001, Wisconsin - 9003, other state - 9099. The resident county is '00'.
5. For Tuitioned In, Open Enrolled In and Whole-grade Sharing In students, the Resident District is the district of the parent or guardian and not the attending district.
6. Students with Entry Codes '8' Nonpublic shared time, '16' Public Shared Time, '18' Within District Part-time, '40' Independent Private Instruction, '81' Enrolled in Nonpublic School or '82' Nonpublic Shared Time for Nonpublic Schools, use their true resident district.
7. If a student with an IEP reaches age 18, leaves his/her parent's home, and declares himself/herself independent of parental control, the new resident district is considered the student's resident district rather than the parent's district of residence.
8. Instructional IEP students placed in transitional or group home settings are not living independently since they need assistance to live in these homes. These students are to be coded as being a resident of the district where parent/guardian lives.
9. If resident district of student changes throughout the year, the enrollment of the original resident district needs to be ended with an exit code of '14' (end or change enrollment). The student is then re-enrolled with their new resident district and new entry code.

Foster Care / Residential Facility Students

10. For a non-IEP or an IEP support services only student in a non-PMIC residential facility, the resident district is the district where the residential facility is located.
11. For an instructional IEP student in a non-PMIC residential facility, the resident district is the district of the parent or guardian.
12. For a student in a PMIC residential facility, the resident district is the district of the parent or guardian.
13. If a student is in Foster Care, refer to the Foster Care chart element (Element 34) to determine the correct resident district.
14. A foster care student with a Support Services Only IEP becomes a resident of the district in which the family / facility is located.
15. For an instructional IEP student in foster care/residential treatment whose parents cannot be located in Iowa or live outside of Iowa, the resident district is ~~9098~~ 9889, the resident county is 00, and the Entry Code is '15' Tuitioned In State Paid.
16. For an instructional IEP student with parental rights terminated, the resident district is 9888. the resident county is 00, and the Entry Code is '15' Tuitioned in State Paid.

IEP Level

What is the current IEP level of this Special Education weighting for the student?

IEP's include not only instructional IEP's, but also those for support services only (for example Speech or Language, Occupational or Physical Therapy, School Social Work, and Special Education Nursing Services). These services are usually provided by the Area Education Agency, but should be reported through Student Reporting. An IEP that specifies the assignment of an aide to assist a student in moving about school is also included.

Code	Description	Definition
1	Level I	Weighted factor = 1.72
2	Level II	Weighted factor = 2.21
3	Level III	Weighted factor = 3.74
A 0	Support Services Only	No Weighted factor
99	Not applicable	

User Notes

- Required for all PK-12 students
- ~~The use of this element is optional for 2014-2015 but will be required for 2015-2016.~~ The purpose of IEP Level is to identify students with IEP's as well as to determine the days tuitioned in students are in a particular funding level ~~its purpose is only~~ for billing.
- If the IEP Level of a student changes throughout the year, the original enrollment needs to be ended with an exit code of '14' (end or change enrollment). The student is then re-enrolled with their new IEP level.
- PK 4 year old students who have an IEP for Support Services Only may be counted in a Statewide Voluntary Preschool Program at 0.5 FTE.
- Nonpublic and home schooled students receiving special education services through an AEA do not qualify for certified enrollment. They are eligible for special education funding, but instruction needs to be provided by the district in order to be eligible for Certified Enrollment funding.

Foster Care

User Notes

1. Required for all PK-12 students. All students in Non-PMIC residential facilities must have foster care status of '1' or '2'.
2. If a child is in foster care, has an instructional IEP, and is open enrolled in, the resident district is the district where the student would reside if the student were not in foster care. If a child is in foster care, does not have an instructional IEP, and is open enrolled in, the resident district is the district where the foster care facility is located.
3. A foster care student with a Support Services Only IEP, like a regular education student, becomes a resident of the district in which the family / facility is located.
4. Used in conjunction with Service Type and IEP indicator to calculate Foster Care Claim report for regular education students. Foster Care Claim cannot be completed until the last district has certified Spring Student Reporting. The Foster Care Claim must be certified by August 1.
- 4.1 For the purposes of the Foster Care Claim, a student in shelter care or juvenile detention are not in foster care.
5. The Resident County for students in Resident District 9098, 9888, or 9889 is '00'.
6. If the foster care status of a student changes throughout the year, the original enrollment needs to be ended with an exit code of '14' (end or change enrollment). The student is then re-enrolled with their new foster care code and different entry code if needed.
7. Use the following chart to determine the resident district and entry code for a student in foster care:

Would the student continue to reside in the current resident district if not in foster care?	Does the student currently have an Instructional IEP?	Have parental rights been terminated?	The student's Resident District in SRI should be ...	Entry Code should be ...	Foster Care Code should be ...	Eligible for Regular Ed Foster Care Claim

Service Provider / Facility

The Department of Education code for the facility in which the student resides or the location where the student receives the majority of his / her educational services.

Code	Description	Definition
	2, 6, or 8 digit code for the Service Provider or Residential Facility	Use the alpha 2 character code for a state other than Iowa, the 6 digit IPEDS code for a community college, and the assigned 8 digit code for other facilities.

User Notes

1. Required for all PK-12 students being served by one of the following:
 - a. AEA sponsored program
 - b. Community college program
 - c. Day Treatment
 - d. Youth Shelter
 - e. Detention Center
 - f. In foreign exchange program abroad -- maintaining academic ties to the district
 - g. Awaiting trial
 - h. Receiving PMIC or non-PMIC residential treatment in your district
 - i. In a Residential Treatment facility outside of Iowa
 - j. District Contracted Educational Services
 - k. Border Agreement with neighboring state

2. Enter the Facility / Provider code only for actively enrolled students. The code will specifically tie a student to that facility / provider for the enrollment period.
3. The Service Provider / Facility codes to use may be found in Addendum I: Service Providers/Facilities and Service Type.
- ~~4. Students in residential treatment (PMIC or non-PMIC) will NOT be used in the calculation of dropout or graduation rates.~~

5. For Lewis Central, Denison and Ottumwa school districts:
 Use this field for Certified Enrollment to identify students residing in the Iowa School for the Deaf or in Job Corps who are enrolled in regular education classes in your district.
 Job Corps students with an instructional IEP remain residents of their prior district. If the prior district is not the job corps district, the Entry Code is 4.

Service / Facility Type

Identifies the type of service students are receiving from selected providers.

Code	Description	Definition
1	Day Treatment	Day Treatment is limited to Intensive Day Treatment Programs (e.g., alcohol, drug and/or behavior treatment programs) from which the student returns home each night. Day Treatment is a DHS or court decision and not a district decision. For reporting purposes, Day Treatment does NOT include community colleges.
7	District Contracted Educational Service	District Contracted Educational Service is a non-residential day program. Examples include 4 Oaks, KeBecca, Crossroads, Heartland Family Services, and other private providers.
2	PMIC Residential	Psychiatric Medical Institution for Children
3	Non - PMIC Residential	
4	Transition Services - 4+ program	Services provided by the community college or AEA to help seniors in the 4+ program meet IEP goals related to postsecondary work or education.
5	Dropout Prevention Program provided by a CC	At-risk/dropout prevention program provided by a community college
9	Consortium	A consortium is a cooperative arrangement, based on a written agreement, between two or more school districts with the objective of jointly administering a common activity, program, or power, to achieve a common goal where each member school district possesses the authority individually to administer that activity, program or power. The intent of the consortium is generally to maximize efficiency and effectiveness by jointly administering the activity, program, or power. Although an AEA, community college, or private provider might be a purchased instructional service for a consortium established by school districts, the AEA, community college, or private provider would not be a member of the consortium.
6	Shelter Care	
8	Border Agreements	
99	Not applicable

Exit Date

The ending date of this enrollment period

Code	Description	Definition
	MM/DD/CCYY	

User Notes

1. Required for all PK-12 students with an Exit Code
2. For summer transfer students, enter and exit the student in the current school calendar with no days of attendance.
3. To correctly report attendance for summer transfers (0 days enrolled and 0 days present), follow your SIS guidelines:
 JMC: Under Attendance / Student /Drop Student, Set Day = 0
 Infinite Campus: Use an Exit Date prior to the first instructional date in the calendar
 PowerSchool: Student must be given an Entry Date (usually mid-August) and Exit Date within the set Academic calendar. For 0 days enrolled/present, the exit date will be the first day of school or, for students who enroll after the school year began, the exit date will be the same as the entry date.
4. The Exit Date will have an impact on the calculation of Days Enrolled and Days Present.
5. The Exit Date is the last date of a student's attendance for users of all SIS's but PowerSchool. PowerSchool identifies the day after the last day a student was enrolled as the exit date.
6. For Certified Enrollment purposes, students not in attendance on or before October 1 are to be exited on the first day of unexcused absence after a day of bona fide attendance.
7. For a No-Show, the exit date is the first day of expected attendance.
8. To ensure accurate FAY calculations, students need to be exited when they stop attending and not when records are sent or requested. If the student's destination is unknown at the time attendance stops, use the Exit Code '1' Transfer with a Destination Code of '13' Unknown.
9. When the status of a student changes (resident district, entry code, etc.),the original enrollment period is ended with the Exit Code of '14', and the new enrollment record includes the new Entry Date reflecting the beginning of that new status.

Exit Code

The exit code for the enrollment period

Code	Description	Definition
1	Transferred	Student has transferred to another district, a nonpublic school, a state training school, a regent school, another state or country, competent private instruction (home schooling), or prison.
28	Transferred Within District	Student has transferred to a different school within the district on consecutive days.
2	Open Enrolled Out	Student remains a resident of the district but has open enrolled to another district.
3	Tuitioned Out District Paid	Student remains a resident of the district but has enrolled in another district and the resident district pays tuition
4	Dropout	Student is considered to be a dropout according to federal definitions. See Addendum E: Dropout Definitions
5	Expelled	Student is removed from the rolls of the district due to board action
29	Expulsion Continuing from Previous Year	The Incident occurred in the previous year and the student is still expelled
6	Reached Maximum Age	Student has reached maximum age without completing district requirements for graduation from high school. The student will be considered a dropout. The maximum age for a student is 21. For a special education student, approval may be granted by the department to continue the program for up to three years or until the student's 24th birthday.
7	Deceased	Student is deceased and did not complete graduation requirements
8	Graduated from High School	Student has met district requirements for graduating from high school and met IEP goals, if applicable. Used for midyear graduates and optional for other graduates
9	Illness	A student left school for an indefinite period of time because of medical reasons.
10	Whole Grade Sharing Out	Student has exited the district due to a whole grade sharing agreement with a neighboring school district
11	Tuitioned Out Parent Paid	Student remains a resident of the district but has enrolled in another district and the parent or legal guardian pays tuition.
13	No Show	Student did not attend last year, intended to enroll this year but did not show; or student exited last year, intended to re-enroll this year but did not show
30	Withdrawn at the parent's request	Only applicable for PK or KG student
31	Withdrawn at the school's request	Only applicable for PK or KG student

Exit Code

14 End or Change Enrollment

Correct Full Academic Year (FAY) calculation (see Addendum O) depends on the following:
For Entry Codes of '1', '2', '3', '4', '5', '10', '11', '15', '17', or '19' (the "BEDS Entry Codes") use '14' when there is a change in Resident District or County, FTE, Entry Code, Foster Care, IEP **Level**, Residential Facility / Service Provider, or Service / Facility Type and the school does not change. A following enrollment is required reflecting the changed information.
For Entry Codes of '6', '7', '8', '9', '11', '12', '13', '14', '16', '18', '21', '22', '23', '27', '28', '29', or '40'. (CPI Dual Enrolled, CPI HSAP, Part-time, or Shared Time) use '14' to end or change the enrollment. This is the only valid exit code.
If the student is changing buildings as a result of the enrollment change, use Exit Code '28'.

Exit Code

User Notes

1. Required for all PK-12 students with an Exit Date within the current school year, **including summer transfers**.
2. If a student changes schools within a district, use Exit Code '28' Transferred Within District.
3. PK-6 students who were active at the end of last year, who did not enroll for the current year, and for whom no reason is known can be exited as '1' Transferred Out of District with Destination Code '13' Unknown.
4. PK or KG students who started school but then a decision is made that they are not ready to attend, are Exit Code '30' Withdrawn at the parent's request or Exit Code '31' Withdrawn at the school's request. Destination Code is '99' and there is no Destination Location.
5. 7-12 students who were active at the end of last year, who did not enroll for the current year, and for whom no reason is known are considered to be Exit Code '4' Dropout.
6. 7-12 students who have stopped attending for unknown reasons must be exited as a '4' Dropout or '1' Transfer with Destination Code '13' Unknown until your district receives a request for records, the family has filed a Form A to be homeschooled **or the family has provided written documentation of IPI**.
7. A student who transfers to a high school equivalency program (HiSET) or pursues a community college diploma is considered to be Exit Code '4' Dropout.
8. Students who transfer to a Job Corps program are considered to be Exit Code '1' Transferred to the district in which the program is located. If that district does not report a corresponding entry, the student will be counted as a dropout.
9. Students who are serving a jail or prison term are considered to be Exit Code '1' Transferred. Students who are awaiting trial should remain actively enrolled with a Service Provider / Facility code of 90989600.
10. For students placed in a Youth Shelter or Juvenile Detention, end the enrollment with Exit Code '14' End or Change Enrollment. Create a new enrollment with the previous Entry Code and enter the Service Provider / Facility code for the Youth Shelter or Detention Center to maintain the active status for the students. See Addendum I for the correct code.
11. Do not exit students for short term hospital stays or mental evaluations.
12. Regular education students with an Exit Code '5' Expelled or Exit Code '29' Expulsion continuing from previous year are not counted on certified enrollment since, by definition, they are removed from the rolls of the district.
13. If a student's 21st birthday occurs on or before September 15th of the current school year, the student must be exited with a code of '6' Reached Maximum Age. EXCEPTION: An agency may continue the special education and related services of an IEP student for up to three years beyond the individual's 21st birthday if the person had an accident or prolonged illness that resulted in delays in the initiation of or interruption in that individual's special education. The agency must request approval from the department in accordance with Iowa Code section 256B.8.
14. 8th grade students who, for religious reasons, do not continue into high school should be exited with Exit Code '1' Transfer and Destination Code '10'.
15. To transfer a student to homeschool, use Exit Code '1' Transferred and Destination Code '10' Home-school / non-accredited school. Either a written statement from the parent or Form A is required or the student would be a dropout.
16. When the status of a student changes (resident district, entry code, etc.), the original enrollment period is ended with the Exit Code of '14', and the new enrollment record includes the new Entry Date reflecting the beginning of that new status.
17. Open enrollment is temporarily suspended when a student enters residential treatment (Service Facility Type '2' or '3').

Data Element Rollover

• User preference. The user should decide whether to rollover Open Enrolled Out, Tuitioned Out, and Whole Grade Sharing Out. If they are rolled over, use the Entry Code that would reflect their true enrollment if they were in the school followed by last Exit Code. The entry and exit dates should reflect the same date used to rollover the actively enrolled students (within the range of July 1 to the first day of school).

User Notes

- Required for all PK-12 students
- For Exit Codes '4', '5', '6', '7', '8', '9', '13', '14', '28', '29', '30', and '31' use Destination Code = '99' and no Destination Location
- Students who have been sentenced should be given Exit Code '1' Transferred and Destination Code '11' Incarcerated.
- If a 7th -12th grade student is exited with destination code of '13' unknown, the student will be counted as a dropout.
- For PK-12 transfer students, you can use 'Unknown' until such time a request for records has been received from the newly enrolled district.
- For students transferring to Midland Park High School in Eldora (State Training School) use Exit Code '1', Destination Code '6', and Destination Location '20079601'.
- When transferring to '10' Home-school, Form A is required for students of compulsory attendance age. If the student is over compulsory attendance age, written documentation of home schooling or IPI from the parent or guardian is required.

Code	Description	Definition
	Two character alpha code for a non Iowa state; eight digit code for an Iowa location	

User Notes

1. Required for all students with Destination Codes '1', '2', '6', or '8'
2. The Destination Location cannot be your own district
3. When the Destination Code is '8' Out-of-state, use the two character alpha designation for the state.
4. No destination location is to be used if the destination code = 9-11,13 or 99.

At-Risk

Was the student considered to be at risk at any time during the year?

An at-risk student means any identified student who needs additional support and who is not meeting or not expected to meet the established goals of the educational program (academic, personal/social, career/vocational). At-risk students include but are not limited to K-12 students in the following groups: homeless children and youth, dropouts, returning dropouts, potential dropouts, and students currently enrolled in an alternative school or program.

Code	Description	Definition
1	Yes and is identified as a potential / returning dropout and in a program funded by allowable growth	<p>Student is identified as a potential / returning dropout. Therefore the district has requested the permission to levy a tax under modified allowable growth for dropout prevention. Students being served in these programs must meet the definitions given in Iowa Code Chapter 257.39 for districts to use the modified allowable growth for dropout prevention programming. A student funded by modified allowable growth is in a dropout prevention program, specifically for K-12 students with a focus on keeping students in school who are at risk of dropping out and re-engaging students who have dropped out through alternative education programs and schools. The students served in these programs must meet the following criteria:</p> <ul style="list-style-type: none"> • "Returning dropouts" are resident pupils who have been enrolled in a public or nonpublic school in any of grades seven through twelve who withdrew from school for a reason other than transfer to another school or school district and who subsequently enrolled in a public school in the district. • "Potential dropouts" are resident pupils who are enrolled in a public or nonpublic school who demonstrate poor school adjustment as indicated by <u>two or more</u> of the following: <ol style="list-style-type: none"> 1. High rate of absenteeism, truancy, or frequent tardiness. 2. Limited or no extracurricular participation or lack of identification with school, including but not limited to, expressed feelings of not belonging. 3. Poor grades, including but not limited to, failing in one or more school subjects or grade levels. 4. Low achievement scores in reading or mathematics which reflects achievement at two years or more below grade level.
2	Yes is identified as at risk but not in a program funded by allowable growth	<p>Student is identified as at-risk (and receiving supplemental or intensive services or supports) but not in a program funded by modified allowable growth. Funds for at-risk students who are not in a program funded by allowable growth are generated through Iowa Administrative Code 281-12.5 (13) supplemental weighted enrollment and are based on the district's free and reduced count. These could also be students who qualify for other services (Title I, ELL, grants) and must meet the broader definition of at risk (not succeeding academically, personal/social and career/vocational).</p>
0	No	Student is not at risk at this time

At-Risk

User Notes

1. Required for all PK-12 students
2. Must be '0' for PK students
3. There is not a direct relationship between a student's IEP status and At Risk status. An IEP student may or may not be also considered At Risk. An At Risk student may or may not have an IEP.
4. The process your district uses to identify students is locally defined. The DE website has more detailed information on identification of students at-risk of dropping out: http://www.iowa.gov/educate/content/blogcategory/58/898/index.php?option=com_content&task=view&id=418&Itemid=1389 and for those who are potential / returning dropouts: www.iowa.gov/educate/index.php?option=com_content&task=view&id=1534&Itemid=2440
5. The data collected under #1 will pre-populate the modified allowable growth application form for returning and potential dropouts. This data will also be helpful for districts to track data longitudinally and assist in evaluating programs and services provided for students at risk.

Coordinated Early Intervening Services

Did the student receive Coordinated Early Intervening Services (CEIS) funded by IDEA Part B during the current year?

A district must have established criteria for identifying the population of students eligible to receive CEIS prior to using this data element. Contact your local district administration if you are unsure if criteria have been established in your district.

Code	Description	Definition
1	Yes and funded by the LEA	Requires an annual application to the AEA
2	Yes and funded by the AEA	
3	Yes and funded by both LEA and AEA	
0	No	

User Notes

- Required for all PK-12 students
- Must be '0' for PK students
- Students receiving CEIS must have been determined to be in need of additional support based on the district's criteria for CEIS. Students receiving CEIS cannot have an IEP at the time that they are receiving CEIS and must be in grades K-12. Students may be served by an LEA or AEA. A student should be marked as having received CEIS if the student meets the district's criteria for being in need of additional support through CEIS and either (a) received direct services or (b) received services from a teacher who received professional development funded by Part B of IDEA funds directed for the purpose of CEIS. Whether funded via AEA or LEA Part B dollars, it is the responsibility of the LEA to mark the students in Student Reporting.
- The determination of the need for additional support under CEIS may be based on academic achievement or behavior, depending on the issues on which the district is focusing effort. Guidance has been given to districts regarding their responsibility to determine need for additional support. Questions about eligibility for CEIS at the district level should be directed to the district administration. Questions about the CEIS data collection at the state level should be directed to [John Lee at 515-281-5733 or john.lee@iowa.gov](mailto:John.Lee@iowa.gov) [Amy Williamson at 515-281-6273 or amy.williamson@iowa.gov](mailto:Amy.Williamson@iowa.gov).
- If an AEA chooses to use CEIS funds the Director of Special Education of the AEA is responsible for notifying districts within that AEA of any teachers who received professional development using those funds and for coordinating the use of the district's definition of need for additional support for the provision of direct services to students. Students receiving direct or indirect services via Part B funds through the AEA should be coded using this data element.
- While CEIS are only for students in general education, it is possible that, after receiving services, a student will also receive an IEP. In that case both the CEIS and IEP indicators will be marked "yes".
- CEIS is an annual indicator and remains marked for one year only. A student should only be marked the following year if they receive CEIS in the subsequent year.
- The use of CEIS is required for districts that have been determined to be significantly disproportionate for the identification, placement, or discipline of students with disabilities. The timely and accurate submission of these data is required for districts that have been determined significantly disproportionate and for any other district or AEA that chooses to allocate Part B funds for the purpose of CEIS.

Initial Homeless Type

If a student was homeless at some time during the year, what was the type of primary nighttime residence at the time the student became homeless?

A homeless student is a child or youth from the age of 3 years through 21 years who lacks a fixed, regular, and adequate nighttime residence.

Code	Description	Definition
1	Sheltered/Transitionally Housed	Children who individually or with a family accessed and are living in a public or private shelter or transitional housing project on a temporary basis.
2	Doubled-up	Children living with relatives or friends due to a loss of housing due to disaster, economic hardship, parents not allowing the child to live at home, abandoned children, or other similar situations.
3	Unsheltered	Children living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar situations of public and private places not ordinarily used as a regular sleeping accommodation for human beings.
6	Hotel/Motel	Children living in a hotel/motel as their primary residence.
99	Not applicable	Children who were not homeless at any time during the school year.

User Notes

1. Required for all PK-12 students
2. Once a type is entered, it remains entered for the rest of the school year. The entered type doesn't change even if the student's situation changes.
3. Homeless type is relevant only to the reporting district. If a homeless student transfers to a different district, the homeless type is determined based on the situation in the new district.

Immigrant

Is the student considered an immigrant?

An "Immigrant" is defined as an "individual who is aged 3 through 21; was not born in any state; and has not been attending one or more schools in any one or more states for more than 3 full academic years. The term "State" means each of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico.

Code	Description	Definition
1	Yes	
0	No	

User Notes

1. Required for all PK-12 students
2. Date entered US schools is required if Immigrant = 1 (Yes)
3. This immigrant status should not be confused with immigrant status for the Immigrant and Naturalization Service (INS).
4. A child adopted at age 3-21 who meets the criteria is an immigrant. A child adopted prior to age 3 who has had enough time to adjust to the cultural, language, and educational differences would not be an immigrant.
5. Children born to US citizens and military personnel outside of the "states" and foreign exchange students are not immigrants.
6. In the educational environment, a student is classified as an immigrant only until the student has attended US schools for a cumulative period of three years.
 Example: An immigrant student first entered a US school in September 2010. The student attended one year before moving to an Iowa school in August 2011. The student left the country in December 2012 and returned three months later. The student would be considered an immigrant until December 2013 (September 2010 - September 2013 + 3 additional months).
7. Legal Reference: P.L. 107-110 Title III, Part C, § 3301(6)

5	Tested and not identified as ELL	Student who was given a LIEP Placement Instrument but was not deemed as needing LIEP services. Tested for English proficiency but did not qualify to receive LIEP services.
6	PK Potential English Language Learners (PELL)	Only valid for PK students
99	Not applicable	

ELL Status

User Notes

1. Required for all PK-12 students
- ~~2. Students with ELL Status '3' Transitioned are in the process of moving from Status 1 or 2 toward Status 4. They have not yet exited their ELL program/services.~~
3. All students with ELL status of 1 or 2. ~~or 3~~ must take the I-ELDA **annually** as part of a demonstration of English language proficiency.
 - 3.1 An ELL status of '2' Identified as ELL but parent refused LIEP services does not waive the district's requirement to follow their Lau Plan.**
4. According to Iowa Code 280.4 Section 3, ELL students are eligible for supplementary funding when the costs of instruction of limited English proficient students exceed the cost of instruction of pupils in a regular curriculum. Therefore, eligibility is based on an instructional program with costs above and beyond the cost of providing education in the regular curriculum.
5. Only students with ELL Status 1 are included for ELL supplementary weighting in Certified Enrollment.
6. The DE will calculate ELL supplementary weighting based upon previous and current Student Reporting Fall submissions.
7. The 2014 Iowa Legislature amended Iowa Code section 280.4, subsection 3, paragraph b, to clarify that the additional weighting for students identified as limited English proficient "shall be included in the weighted enrollment of the school district of residence for a cumulative period of time not exceeding five years beginning with the budget year for which the student was first determined to be limited English proficient." The legislation also clarifies that "the five years of eligibility for the additional weighting need not be consecutive.
 - 7.1 Upon Exiting ELL, the student must be monitored for two years by an ELL teacher.**

LIEP Instructional Program

The instructional program of a current ELL student.

Code	Description	Definition
C 1	Bilingual Dual Language Program	Also known as two-way, or developmental, the goal of these bilingual programs is for students to develop language proficiency in two languages by receiving instruction in English and another language in a classroom that is usually comprised of half native English speakers and half native speakers of the other language. Also known as two-way or developmental. Students develop language proficiency in two languages by receiving instruction in English and another language in a classroom that is usually comprised of half native English speakers and half native speakers of the other language.
C 10	Other Bilingual Program (not listed)	Bilingual education...refers to approaches in the classroom that use the native language of English language learners (ELs) for instruction. www.nabe.org/BilingualEducation Other Bilingual Program (not listed)
C 14	Newcomer Program Intensive English for Newcomers	Newcomer programs are separate, relatively self-contained educational interventions designed to meet the academic and transitional needs of newly arrived immigrants; typically, students attend these programs before they enter more traditional programs (e.g., English Language Development programs or mainstream classrooms with supplemental ESL instruction).
A 15	Sheltered Instruction	An instructional approach used to make academic instruction in English understandable to English language learners (ELs). In the sheltered classroom, teachers use physical activities, visual aids, and the environment to teach vocabulary for concept development in mathematics, science, social studies, and other subjects.
A 16	English as A Second Language (ESL)	A program of techniques, methodology, and special curriculum designed to teach English language learners (ELs) English language skills, which may include listening, speaking, reading, writing, study skills, content vocabulary, and cultural orientation. Further, ESL instruction is usually in English with little use of native language.
D 5	English as a Second Language Sheltered English Instruction Program	An instructional approach used to make academic instruction in English understandable to ELL students. In the sheltered classroom, teachers use physical activities, visual aides, and the environment to teach vocabulary, for concept development in mathematics, science, social studies, and other subjects.
D 7	Other English as a Second Language Program (not listed)	Other English as a Second Language Program (not listed)

Graduation Status

Has the student graduated at the time the record is being sent?

Code	Description	Definition
1	Yes	
0	No	

User Notes

1. Required for all PK-12 students.
2. Assign a Graduation Status of '1' (Yes) only to the students who have actually graduated and received a signed diploma at the time of submission. If a non-graduating student completes graduation requirements prior to the start of instruction in the next school year, enter that student's graduation information in the "Graduate Verification" application once it is available.
3. For IEP students who have not yet met the vocational goals on the IEP, are continuing their education, and have not yet received a signed diploma, report as grad status 'No' until student receives his/her diploma and IEP requirements have been met.
4. JMC calculates the Graduation Status based upon an entry in Graduation Date and Diploma Type. Infinite Campus calculates the Graduation Status based upon an entry in Diploma Date.
5. A student may graduate from only one school. Use Exit Code '14' (End or Change Enrollment) in the non-graduating school at the end of the year. The building issuing the diploma must be the building of primary enrollment.
6. You can only graduate students attending your district.
7. A student who does not graduate and stops attending is a dropout with Exit Code 4.
8. A student who graduates midyear should be given an Exit Code of 8 on the date he / she graduates.
9. Students identified as graduates cannot be included in the following year's Student Reporting files.
10. Tuitioned in Graduates will automatically be assigned to their resident district for graduation rate calculations and should be reported as graduates by the attending district.

Diploma Type

What type of diploma did the graduate receive?

Code	Description	Definition
1	Regular Diploma	Given to students who meet minimum local district graduation requirements.
3	Other Completer	Given to students who have finished their high school program, but did not earn a diploma. Local district awards a certificate of completion or certificate of attendance in lieu of a diploma (may apply to foreign exchange students).
99	Not applicable	

User Notes

1. Required for all PK-12 students.
2. Must be '1' or '3' for students with Graduation Status '1'
3. Give a diploma type only to the students who have actually graduated at the time of submission. If a non-graduating student completes graduation requirements over the summer prior to the start of instruction in the next school year, enter that student's graduation information in the "Graduate Verification" web application.
4. If a Foreign Exchange student meets district graduation requirements, they receive Diploma Type 1. Foreign Exchange students and others who do not meet district graduation requirements may receive an "honorary diploma" and will be coded as Diploma Type 3 – 'Other Completer'.

User Notes

1. Required for all removals
2. Multiple students involved in the same incident and removed from classes must have the same Behavior Incident Number. (Example: 2 students involved in a fight may have different durations or types of removal but must bear the same behavior incident number.)
3. One student receiving more than one type of removal for the same incident must have the same behavior incident number on each related removal record.
 - Example: student is assigned 1 day of in-school suspension and 1 day of out-of-school suspension for the same incident
 - Example: student is assigned an out-of-school suspension for 8 days prior to receiving an expulsion from the school board for the same incident
4. The Behavior Incident Number is unique for the district in the current school year. If a removal continues into the following school year, no new removal is created.

Action Taken

The action taken by adults because of the problem behavior incident.

Code	Description	Definition
1	In-School Suspension	Administrative removal of a student from regular classes or activities for disciplinary reasons, but the student continues to be under the supervision of the school district.
2	Out-of-School Suspension	Administrative removal of a student from regular classes or activities for disciplinary reasons.
3	Expulsion	School board action resulting in the removal of a student "from the rolls" of a district (unless the student has an IEP and requires continuing services) for disciplinary reasons.
4	Expulsion following a suspension for the same incident	For students who are initially suspended and then eventually expelled by board action for disciplinary reasons.
5	Interim setting by School Personnel	Student is placed in an alternative educational setting.
6	Interim setting by Impartial Hearing Officer	Student is placed in an alternative educational setting. This action taken is a valid option only for IEP students if the problem behavior was drug related, weapon related, or resulted in Serious Bodily Injury. The maximum duration of this action is 45 days (per incident).
7	Apology/Restitution	Action taken that results in apologizing or compensating for loss, damage, or injury; community services.
8	Bus Suspension	Action taken that results in the student not being allowed on the bus.
9	Community Service	Action taken that results in involvement in community service activities or projects.

Action Taken**User Notes**

1. If multiple actions are the result of the same incident, they must have the same Behavior Incident Number
2. Action Taken '1' In-School Suspension, '2' Out-of-School Suspension, '3' Expulsion, '4' Expulsion following a suspension for the same incident, '5' Interim setting by School Personnel, and '6' Interim setting by Impartial Hearing Officer are considered "Removals" for federal reporting purposes.
3. For each expulsion event, either use an expulsion '3' or the combination of out-of-school suspension '2' and Expulsion following a suspension for the same incident '4' to identify a single removal event.
4. Saturday school does not count as a removal because no instructional time is missed.
5. If the removal is for more than 10 days, school board action is required.
6. Expelled students are required to have an Exit Code of '5' Expelled or '29' Expulsion Continuing from Previous Year.
7. See "Days Unexcused" for directions on reporting absences during the removal period.
8. 280.21B Expulsion - weapons in school.

The board of directors of a school district and the authorities in charge of a nonpublic school which receives services supported by federal funds shall expel from school for a period of not less than one year a student who is determined to have brought a weapon to a school or knowingly possessed a weapon at a school under the jurisdiction of the board or the authorities. However, the superintendent or chief administering officer of a school or school district may modify expulsion requirements on a case-by-case basis. This section shall not be construed to prevent the board of directors of a school district or the authorities in charge of a nonpublic school that have expelled a student from the student's regular school setting from providing educational services to the student in an alternative setting. If both this section and section 282.4 apply, this section takes precedence over section 282.4. For purposes of this section, "weapon" means a firearm as defined in 18 U.S.C. § 921. This section shall be construed in a manner consistent with the federal Individuals with Disabilities Education Act, 20 U.S.C. § 1400 et seq. 95 Acts, ch 191, §23

- The length of removal is the number of school days the student is removed from the school to the nearest tenth of a day. A suspension may be for consecutive days or a part of a day over multiple days (e.g., 1st period for 2 weeks).
- Example: In-school suspension is held on Mondays, Wednesdays, and Fridays. A student is assigned to 3 days of in-school. The event is one event. Therefore, the length of removal is 3 days.
- For an expulsion that extends into the next school year, enter the total Length of Removal in school year in which the removal initially occurred. Do not enter a duplicate copy of the removal in the following school year. An Expulsion that continues into the next school year is indicated with the Exit Code of '29' Expulsion Continuing from Previous Year in the next year's database.

Course Origination

Indicates the origination of the course curriculum

Course (section) origination is reported at the section level to allow sections of the same course to be taught by both district and non-district teachers.

Code	Description	Definition
1	Local Course taught by local teacher	
11	Local District Course taught by non-district teacher	These courses include ICN courses hosted by another district and courses taught in house by a teachers whose primary contract is held by another district.
2	Postsecondary Enrollment Option	Postsecondary Enrollment Options Act promotes rigorous academic pursuits by providing high school students access to enroll part-time in nonsectarian courses in eligible postsecondary institutions. The program is available to eligible juniors and seniors as well as freshmen and sophomores who are identified as gifted and talented according to the school district's criteria and procedures.
3	Concurrent Enrollment / Not Career Academy course (offered by community college)	Concurrent Enrollment courses are offered through a contractual agreement between a community college and the public school district. These courses are considered to be part of a school district's curriculum and should be listed in the school district's course guide. Concurrent enrollment courses are available to all 9th-12th grade students. These courses may be taught at the community college, in the public school district, or online.
4	Jointly administered course for High School Credit (offered by community college)	These courses include high school credit recovery courses or courses in an alternative high school program at the community college. These courses may also be purchased courses from the community college taught in the high school.
5	District to district sharing (offered by another school district)	These courses are for high school credit only. This includes nonpublic to public and nonpublic to nonpublic sharing.
6	Iowa Learning Online	
7	Iowa Online AP Academy	
9	Concurrent Enrollment / Career Academy (offered by community college)	Career Academy (Iowa Code 260C.18A) means a program of study that combines a minimum of two years of secondary education with an associate degree, or the equivalent, career preparatory program in a non-duplicative, sequential course of study that is standards based, integrates academic and technical instruction, utilizes work-based and worksite learning where appropriate and available, utilizes an individual career planning process with parent involvement, and leads to an associate degree or postsecondary diploma or certificate in a career field that prepares an individual for entry and advancement in a high-skill and reward career field and further education.
10	Regional Academy Course	A regional academy (Iowa Code 261E.9) is a program established by a school district to which multiple school districts send students in grades seven through twelve. Course may be taught over the ICN or the Internet. These courses are for high school credit only. In order to qualify for supplemental weighting, an application must be submitted and approved by the Finance Bureau of the DE.

Course Origination

- | | | |
|----|--|---|
| 8 | Other | These courses may be correspondence courses or purchased on-line courses (PLATO, ALEKS, Odyssey Ware, E2020, etc.) used for credit recovery. |
| 51 | Transfer in Course | This course origination may only be used on a transcript. It is for courses a student has already completed in a previous district which need to be entered onto a transcript in the current district. |
| 81 | College Credit Course contracted with a Nonpublic School | This course origination may only be used by Nonpublic Schools. A contractual agreement exists between the postsecondary institution and the nonpublic school. Courses offered through Concurrent Enrollment or PSEO with a postsecondary via the public school district should not be coded with this course origination. |

User Notes

1. Required for all PK-12 scheduled courses.
2. Courses in grades PK-~~8~~6 must be '1', '8', or '11'. Courses in grades 7-8 must be '1', '8', '10', or '11'.
3. Code all PLATO, ALEKS, non-AP APEX, Odyssey Ware, and correspondence courses as '8' Other if they are used for credit recovery.
4. ILO classes may be used for accreditation for one year with a waiver.
- 4.1. Iowa Online AP Academy courses may not be used for accreditation.
5. See Addendum P: Course Coding Matrix

Concurrent Enrollment Courses

6. Concurrent enrollments courses are offered through contractual agreements between community colleges and school districts. The classes are college classes even if they are held in a school district classroom.
7. 281-22.11(261E) under Division IV, Concurrent Enrollment Program 22.11(3), "A school district may not use concurrent enrollment course to meet the accreditation requirements in Division V of 281 – Chapter 12 other than for career-technical courses." (281—12.5(256) Education program)
8. All courses in a Career Academy are available to all students
9. A Concurrent enrollment course cannot also be a PSEO course.
10. See "Senior Year Plus Guide for Educators and Educational Administrators" <https://www.educateiowa.gov/documents/senior-year-plus-syp/2013/04/senior-year-plus-guide-educators-and-educational> for more information on concurrent courses.

PSEO Courses

11. PSEO courses are selected by the students and are approved on an individual basis. They are not part of a school district's curriculum and are not listed in the school district's course guide. PSEO courses are available to 9th and 10th grade students identified as Talented and Gifted or to all 11th and 12th grade students. A student may enroll in a course through PSEO from an Iowa Regents Institution, an Iowa Community College, or an Accredited Private Institution in Iowa. PSEO also includes Iowa Learning Online college credit courses.
12. A PSEO course cannot also be a Concurrent enrollment course.
13. PSEO courses are nonsectarian courses that are not comparable to courses offered by the district. They must be credit-bearing courses that lead to an educational degree and in the discipline area of mathematics, science, social sciences, humanities, or career and technical education.
14. See "Senior Year Plus Guide for Educators and Educational Administrators" <https://www.educateiowa.gov/documents/senior-year-plus-syp/2013/04/senior-year-plus-guide-educators-and-educational> for more information on PSEO courses.

SCED Course Code

Course Classification for this local course

Code	Description	Definition
	11 alpha numeric characters or a single 0	

User Notes

1. Required for all PK-12 scheduled courses.

Secondary Course Codes

2. 9-12 courses used as placeholders for no credit, such as study hall or lunch, may contain a single '0'
3. All 9-12 courses should be assigned a course code generated from the coding manual, Secondary School Course Classification System: School Codes for the Exchange of Data (SCED) from the National Center for Educational Statistics, June 2007 as modified by the Iowa Department of Education and found on the State Reporting (SRI) website. There are 2014 updates for some 9-12 courses. They are published on the DE website.
4. The 9-12 SCED course codes are 11 characters in length and have four components:
 - a. Course Description consisting of a two digit Subject Area and three digit Course Identifier
 - b. Course Level consisting of one alphabetic character in UPPERCASE
 - c. Carnegie Units expressed as a three digit number excluding the decimal point (e.g. 0.50 = 050)
 - d. A two digit sequence representing a count of the number of times you re-use the first 5 digits for courses with different content or used to indicate 1st term/2nd term of a year-long course

Non-Secondary Level Courses

5. Middle School/Junior High courses that are 'high school' level should be coded using the Secondary Level code system.
6. The Non-secondary Level course codes are 11 characters in length and have four components:
 - a. Course Description consisting of a two digit Subject Area and three digit Course Identifier
 - b. Course Level 'X' or 'S' in UPPERCASE
 - c. Filler consisting of '000'
 - d. A two digit number representing the grade span for which the course is intended (e.g. 4th grade only course = '44', 5th/6th grade course = '56')
7. See the [Course Coding Non-Secondary Level Courses](#) document for course codes and examples.

Common Course Number

The Common Course Number for an Iowa community college credit course.

Code	Description	Definition
	Three alpha followed by three numeric characters	

User Notes

1. Required for community college courses providing college credit.
2. The Iowa community colleges assign a Common Course Number (CCN) to each course that they offer. It is required only for Course Origination '2' Postsecondary Enrollment Option, '3' Concurrent Credit, and '9' Concurrent Credit / Career Academy if the institution providing the course is a community college.
3. Common Course Numbers are found in the course guide book published by the community college.
4. Letters must be in UPPERCASE.
5. For the purposes of Supplementary Weighting:
 - a. Each distinct CCN needs a new local course number
 - b. A CCN from a community college taken on various schedules (i.e., some students are taking it as part of their regular daily schedule, some students are taking it on the community college campus, some are taking it online) will need a local course number per 'schedule'
6. The same CCN cannot be used for both a Concurrent Enrollment and PSEO course.
7. Not all CCNs are eligible for supplemental weighting.

Code	Description	Definition
------	-------------	------------

User Notes

1. Required for all PK-12 scheduled sections.
2. If the institution is an Iowa school district, an Iowa Accredited Nonpublic School, or an AEA, use the eight-digit Destination Location code. If the institution is postsecondary, use the six-digit Integrated Postsecondary Education Data System (IPEDS) code.
3. Non-publics will use their 8 digit number (4 number district + 4 number building). Example: A course provided by Cedar Rapids Xavier would have institution 10538105.
4. Use your 8 digit district code for Iowa Learning Online and Iowa Online AP Academy courses.
5. Concurrent enrollment courses offered by a community college but taught in your building will have the IPEDS community college number as the Institution Providing the Course.
6. For all PLATO, ALEKS, non-AP APEX, Odyssey Ware, E2020, and other correspondence courses with unknown origin, enter 90990000 (out-of-state) as the institution providing course.
7. See Addendum D: Integrated Postsecondary Education System Codes (IPEDS) & AEA Codes and Addendum P: Course Coding Matrix.

Data Element Rollover

Section FTE for Supplementary Weighting

What is the course section FTE for Supplementary weighting?

Section FTE reflects the portion of a school year a student spends in a specific course. Total instructional minutes for your school can be found in Spring BEDS.

Code	Description	Definition
	Numeric value less than 1.000 expressed to 3 decimal places	

For more information:
Use:

Section FTE for Supplementary Weighting

User Notes

1. Required for all public school PK-12 scheduled sections. Does not apply to non-public schools.
2. A Section FTE > 0.000 would indicate supplemental weighting is being requested.
3. Supplementary weighting for District to District ICN classes is for both the providing district and the receiving district(s). Legal Reference: (IAC) 281-97.6(1)
4. Various types of courses are eligible for Supplemental Weighting (Iowa Administrative Code 281-97), but the need for section FTE is dictated by course origination:

Section FTE can be > 0.000 when Course Origination =

- '1' (Local District Course taught by local district teacher) AND Section Delivery Method = '3' (ICN)
- '1' (Local District Course taught by local district teacher) AND Entry Code = '16' Public Shared Time
- '3' (Concurrent Enrollment/Not Career Academy) AND Not being used to meet Chapter 12 Accreditation
- '4' (Jointly administered course for high school credit) AND Section Delivery Method = '3' (ICN)
- '4' (Jointly administered course for high school credit) AND Entry Code = '16' Public Shared Time
- '9' (Concurrent Enrollment/Career Academy) AND Not being used to meet Chapter 12 Accreditation
- '10' (Regional Academy) AND Not being used to meet Chapter 12 Accreditation and there are 2+ students from 2+ other districts enrolled
- '11' (Local District Course taught by non-district teacher) AND Teacher is not from a WGS district teaching the shared grade level

Section FTE must be 0.000 when Course Origination =

- '1' (Local District Course taught by local district teacher) AND section delivery method is not '3' (ICN) and no enrolled student has Entry '16'
- '2' (PSEO)
- '3' (Concurrent Enrollment/Not Career Academy) AND course is part of your minimum offer and teach requirements
- '4' (Jointly administered courses for high school credit) AND section delivery method is not '3' (ICN)
- '5' (District to district sharing) – Section FTE will be reported by providing district
- '6' (Iowa Learning Online)
- '7' (Iowa Online AP Academy)
- '8' (Other)
- '12' (College credit course offered by another district) – Section FTE will be reported by providing district

Calculating Section FTE:

For all courses EXCEPT Career Academy courses, those taken on a community college campus or online

Section FTE = Minutes of course / Total instructional minutes in the school. See Contact Minutes for Comm College Courses on the SRI website.

For Career Academy courses, courses taken on a community college campus or online

Section FTE = Minutes of CCN / Total instructional minutes in the school. See Career Academy Minutes and SCED Codes on the SRI website.

Data Element Rollover

- No if determined by section; yes if determined by course

Vendor Notes

- Section FTE for Supplementary Weighting is reported at the section level to allow sections of the same course to have different values for supplementary weighting.
- If the vendor includes both a stored "Course FTE" and a "Section FTE" (recommended), the Section FTE defaults to the Course FTE upon creation. Both are editable by the user.

IEP

Does the student have an IEP?

IEP's include not only instructional IEP's, but also those for support services only (for example Speech or Language, Occupational or Physical Therapy, School Social Work, and Special Education Nursing Services). These services are usually provided by the Area Education Agency, but should be reported through Student Reporting. An IEP that specifies the assignment of an aide to assist a student in moving about school is also included.

Code	Description	Definition
3	Instructional IEP	
4	Support Services Only IEP	
0	No	

User Notes

1. Required for all PK-12 students
2. PK 4 year old students who have an IEP for Support Services Only may be counted in a Statewide Voluntary Preschool Program and funded through Certified Enrollment at the 0.5 funding rate.
3. Nonpublic and home schooled students receiving special education services through an AEA do not qualify for certified enrollment. They are eligible for special education funding, but instruction needs to be provided by the district in order to be eligible for Certified Enrollment funding.

Migrant**Has a Certificate of Eligibility (COE) been completed by a district recruiter or district migrant coordinator during the preceding three years?**

The term "migratory child" means a child who is, or whose parent or spouse is, a migratory agricultural worker. A migratory agricultural worker is one who, in the preceding three calendar years (36 months), in order to obtain temporary or seasonal employment in agricultural or fishing work, has moved from one school district to another.

Code	Description	Definition
1	Yes and participated in a federally funded migrant program	Requires Certificate of Eligibility (COE) submitted to state migrant coordinator.
2	Yes but did not participate in a federally funded migrant program	Requires Certificate of Eligibility (COE) submitted to state migrant coordinator.
0	No	

User Notes

- Required for all PK-12 students
- All COEs must be sent to the State Migrant Education Program Coordinator for review and approval. Upon review and approval, districts will be notified as to the migrant students who are eligible for free meals through your school lunch program. Ineligible students cannot receive free meals.
DE web address: http://educateiowa.gov/index.php?option=com_content&view=article&id=665:titleipartc&catid=520:title-i&Itemid=1653
- The definition also includes the following two situations that are not applicable in Iowa:
(b) in a state that is comprised of a single school district, has moved from one administrative area to another within such district; or
(c) resides in a school district of more than 15,000 square miles, and migrates a distance of 20 miles or more to a temporary residence to engage in a fishing activity.
- A student loses migrant status if a student has been continuously enrolled within the same district beyond 3 years.
- As a result of the Federal Migrant Education monitoring visit conducted in May, 2009, it was determined that Iowa school districts must complete a Certificate of Eligibility (COE) on ALL students identified as migrant according to the Federal definition. This requirement applies to every district that identifies migrant students in Student Reporting regardless of whether the district receives Federal Migrant Education funding.

Removal Type

Type of removal: suspension, expulsion or interim setting

Code	Description	Definition
E	Expulsion	School board action resulting in the removal of a student "from the rolls" of a district (unless the student has an IEP and requires continuing services) for disciplinary reasons.
S	Out-of-school suspension	Administrative removal of a student from regular classes or activities for disciplinary reasons.
N	In-school suspension	Administrative removal of a student from regular classes or activities for disciplinary reasons, but the student continues to be under the supervision of the school district.
F	Expulsion following a suspension for the same incident	For students who are initially suspended and then eventually expelled by board action for disciplinary reasons.
I	Interim Setting	If the removal involves an Instructional IEP student, then the reason for removal must be Drug Related, Weapon Related, or Serious Bodily Injury with a maximum length of 45 days. This also applies if a Special Education Law judge thinks the Instructional IEP student is going to harm someone. There are no similar restrictions for placement of regular education students.

User Notes

1. Removal Type values are in UPPER CASE
2. For each expulsion event, either use an expulsion 'E' or the combination of out-of-school suspension 'S' and Expulsion following a suspension for the same incident 'F' to identify a single removal event.
3. If multiple removals are the result of the same incident, they must have the same Behavior Incident Number.
4. Saturday school does not count as a removal because no instructional time is missed.
5. If the removal is for more than 10 days, school board action is required.
6. Expelled students are required to have an Exit Code of '5' Expelled or '29' Expulsion Continuing from Previous Year.
7. See "Days Unexcused" for directions on reporting absences during the removal period.
8. 280.21B Expulsion - weapons in school.

The board of directors of a school district and the authorities in charge of a nonpublic school which receives services supported by federal funds shall expel from school for a period of not less than one year a student who is determined to have brought a weapon to a school or knowingly possessed a weapon at a school under the jurisdiction of the board or the authorities. However, the superintendent or chief administering officer of a school or school district may modify expulsion requirements on a case-by-case basis. This section shall not be construed to prevent the board of directors of a school district or the authorities in charge of a nonpublic school that have expelled a student from the student's regular school setting from providing educational services to the student in an alternative setting. If both this section and section 282.4 apply, this section takes precedence over section 282.4. For purposes of this section, "weapon" means a firearm as defined in 18 U.S.C. § 921. This section shall be construed in a manner consistent with the federal Individuals with Disabilities Education Act, 20 U.S.C. § 1400 et seq. 95 Acts, ch 191, §23
